

### **Public Notification**

The Perry County School District offer Career and Technical Education programs at both Francis Marion School and Robert C. Hatch High School. These programs are designed to develop the skills of K-12 students and strives to prepare them for postsecondary learning and workforce opportunities. It also provides them essential leadership skills through participation in student organizations. All programs are offered under the guidance of certified teachers. The following is a list of programs being offered, CTSO, grade level, and campus location:

<b>Programs</b>	<b>Description</b>	<b>CTSO</b>	<b>Grade Level</b>	<b>Location</b>
Health Science/Biomedical	Provides opportunities for students to acquire specific and useful academic, occupational, and employability skills training related to the medical field.	HOSA	9-12 High School	FMS/RCH
Agriscience/Middle School	Students are interested in the planning, implementation, production, management, or marketing of agriculture, food, and natural resources.	FFA	9-12 High School 7-8 Middle School	RCH
Automotive Service Technology	Prepare students for employment in careers that relate to the manufacturing, operation, maintenance, repair, and refinishing of personal and commercial modes of transportation	SkillsUSA	9-12 High School	FMS
Business Education	Provide students with the skills for keying/formatting, editing, and revising business correspondence, reports, and documents. Also creating desktop publications, reproducing copies, classifying and maintaining files and handling telephone communications.	FBLA	9-12 High School	FMS/RCH
Family & Consumer Science	This program introduces middle school students to Career Pathways in the field of Family and Consumer Sciences. These career pathways identify career opportunities related to services and products consumed and produced for individuals and families.	FCCLA	7-8 Middle School	FMS

It is the policy of the Perry County Board of Education that no student will be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any program or activity on the basis of sex, race, religion, national origin, ethnic group, or handicapping condition.
