

Nashville High School Level Improvement Plan 2023-2024

The mission of Nashville High School is for students, faculty, staff, and community to provide an environment that promotes academic, social, and emotional welfare for all students, regardless of race, sex, socioeconomic background, or academic performance level. Nashville High School exists to prepare our students to succeed as adults in a changing society.

Step 1: Plan

Needs Assessment:

1. Health and safety of students and staff
2. ESSA
3. ACT Aspire Scores
4. ACT Scores
5. Student classroom/Interim Score Data

- The health and safety of students and staff members of Nashville High School are the most vital parts of teaching and learning. We must strive to take the utmost safety measures against Covid-19 during the current pandemic so that we can ensure student, faculty, family, and community health.
- ESSA explains what we need to work on as a District/Building in order to do what is best for students.
- Aspire Scores tell us how students ended the previous school year in core areas of learning.
- ACT Scores tell us if our Juniors are academically college ready.
- Student classroom/Interim Data is ongoing throughout the year, and this data gives us a real-time look into how our students are doing daily/weekly/monthly, etc.

Goal/Anticipated Outcome:	<ul style="list-style-type: none"> ● To provide a safe environment for students and staff of NHS. ● Raise Math scores 10% higher than the 2023 Spring scores after implementing Illustrative Math and using it with fidelity for one school year. ● Help students to achieve higher test scores/better grades by participating in Intervention for 10th grade and 11th grade students who will take the ACT Aspire and the ACT. ● Improved Reading Levels
Evidence Based Intervention or Practice:	<ul style="list-style-type: none"> ● Continue the Professional Development of ALL teachers in the Science of Reading. ● Science of Reading strategies implemented in content area curriculum. ● Students assigned a literacy intervention support class designed to target vocabulary strategies and core reading skills. ● Teachers will build lessons based on the science of reading and grade level standards. ● Variety of teaching methods. ● New Math curriculum. <ul style="list-style-type: none"> ○ Illustrative Math ● Grade-Level based intervention for 10th and 11th grades. <ul style="list-style-type: none"> ○ 10th grade: teacher-led and edgenuity ○ 11th grade: ACT Bootcamp and Intervention
