**“OFF-CAMPUS” BLANKET PERMISSION FORM**  
*for Planned School Events*

In accordance with District Policy, all parents must sign a permission slip for their children’s participation in field trips, excursions, and after-school athletic events for the entire year. With the intention of saving parents and school personnel the “hassle” and unneeded paperwork of having separate permission slips for each in school and after-school trip and/or event, we strongly encourage parents to give “blanket” permission on this form.

My child(ren) have my permission to participate in school-sponsored field trips, athletic contests, and other curricular and extra-curricular activities.

It is my understanding that I will be notified—by way of a school calendar, a note or by a season schedule sent home with my child(ren)—when all-day trips are scheduled, or when other trips or activities would interfere with regular home-to/from-school bus transportation. Such communication will also inform me if a sack lunch and/or money is needed for the trip. In addition, certain circumstances may require my signature on an additional field trip form.

**By signing below, I give my “blanket” permission for my child(ren) to take part in the types of activities described during the academic year.**

**Name(s) of Child(ren):**

After signing, please return this entire permission form to the school. A photocopy will be returned to you upon request for your records. Thank you.
