Reminder to keep your Chromebook charged. This must be a habit leading up to ILEARN. If you have issues with your Chromebook please submit a ticket and speak with one of your teachers or see a Five-Star Tech if necessary. Don't wait until the last minute!

Please listen carefully regarding expectations for dismissal to the buses at the end of the school day. We have way too many students congregating outside of door 15 at dismissal. This is becoming a problem with getting the buses out on time to allow them to get to their elementary school routes after they drop you off at home. The supervisors continue to address this, yet the same students congregate each day. We have given supervisors permission to begin assigning lunch detentions and after school detentions if they notice the same students congregating each day. Once you leave the building you are expected to immediately go to your bus. Students, let's get this fixed beginning today. Also continued reminder about making good decisions so you will be able to participate in the end of the school year celebrations. You must follow school and bus rules, meet attendance expectations, have a good attitude and effort in class and on ILEARN, complete work and continue to follow the Warrior Way expectations. Remember each day you have a choice regarding your attitude and behavior.
