Dodication

In the fifty year history of Magazine High School many students have completed the course of studies in this institution to graduate and take their place in the world. Some have gained fame and fortune but the ones who have done the most for us are our fathers, mothers and teachers. Fifty percent of our teachers and a greater percent of our parents attended Magazine High School. To these graduates we are proud to dedicate this annual of 1951.

ADMINISTRATION

Left to Right: O. V. Johnson, member; Tom Douthit, member; D. B. Cravens, President; Willard Starling, Secretary; Mike Smith, member.

Faculty

ROY C. MARTIN
Mathematics
