Foreword

In order that we may in the future review our school day memories more fully, that we may not forget the ones with whom we associated, those who encouraged us to strive on, and by their kind words of encouragement gave us new vision and new ideas, we, the Annual Staff of 1955, publish the "Diamond Back", hoping it will meet with your approval.

Dedication

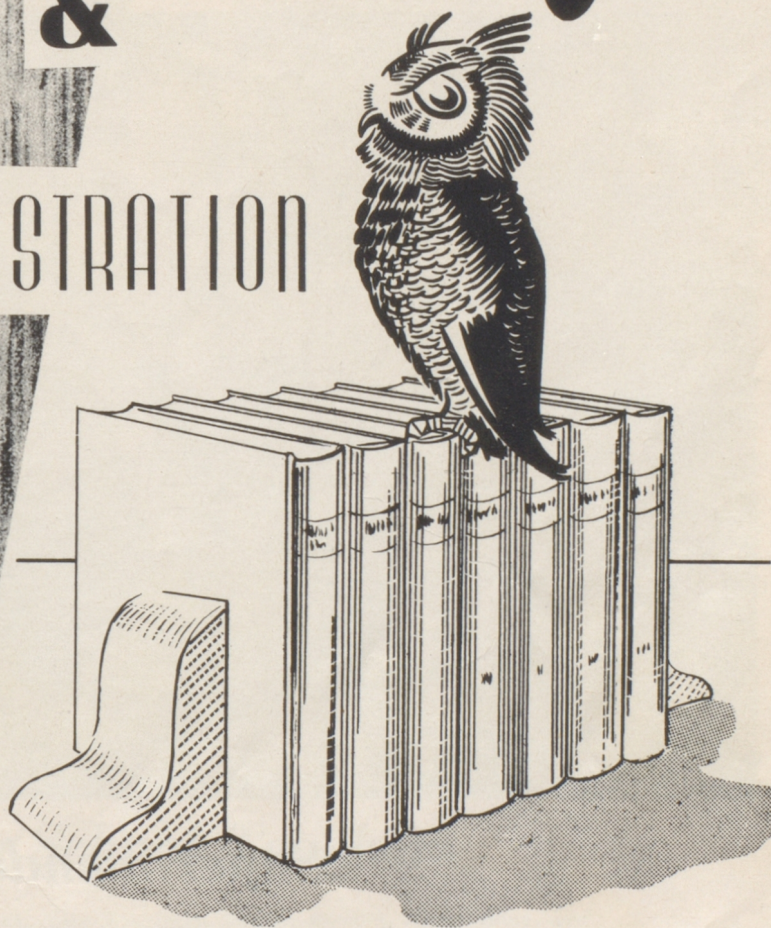

Mr. H. B. Loyd has, as long as we have known him, been a friend to each and every one of us. He has taught agriculture in this high school for ten years.

To Mr. Loyd, for his undying faithfulness and school spirit, we, the Diamond Back Staff, dedicate this, the 1955 Year Book.
