

# **DEDICATION**

To J. D. Leftwich, a graduate of the Magazine High School and who has distinguished himself as one of the outstanding building constructors and financiers of the Southwest, and partly through whose generosity the dream of a new high school building in Magazine has been made a reality—we the Class of 1961 proudly dedicate our year—book.

The degree of pride and esteem held for Mr.

Leftwich by the entire Magazine School Community is attested by the fact that the new building bears the name "J. D. Leftwich High School."
