

Request for Proposals/Bids

Mowing/Landscaping of District Grounds

Iberia R-V School District is accepting proposals for mowing/landscaping services. These specifications and documents are available on the district website or in the Central Office.

1. Bidders are asked to provide costs for the following:
 - a. Cost to mow the entire facility, including the fenced-in areas of the two main ball fields
 - b. Cost to mow the entire facility, minus the fenced-in areas of the two main ball fields
 - c. Cost for weed-eating for Options a. and b. (if not included with mowing costs)
 - d. Cost for trimming bushes (if not included with mowing costs)
2. This work is currently completed, on average, every 10 to 14 days. Services could be needed more or less frequently, depending on weather, growth, or district events (graduation, end-of-year activities, etc.). We expect our grounds to look neat and professional. Frequency of services should reflect this goal.
3. Other non-scheduled services may be requested depending on grass growth or upcoming school events.
4. Bush trimming would be on an as-needed basis, primarily just before district events.
5. Incidental trash pickup shall be an included service. In short, we don't want trash simply mowed over and shredded.
6. Proposals will include all costs including, but not limited to, lawn care services, disposal fees, fuel costs, labor, etc. There shall be no surprise or undeclared fees. If additional services are included in the bid(s), please list those services.
7. Bid preference will be considered, but not guaranteed, for bidders who can provide proof of liability insurance and proof of workers compensation insurance.
8. Bids should be provided per occurrence (per mowing, per bush trimming, per weed eating). A bid table has been included with these specifications for contractor use if desired.
9. A multi-year contract/agreement shall be made available to the winning bidder, dependent on continued high quality of work and responsiveness to requests.
10. A map/drawing of the mowing areas is included with these specifications.
11. RFP's must be received no later than 4 p.m. on Friday, February 24, 2023. Proposals will be presented for board consideration at our next regularly scheduled meeting.
12. Questions should be directed to Lyndel Whittle, Superintendent - 573-793-6818, lyndelw@iberia.k12.mo.us. E-mail tends to work better, but either method will work.

Mowing Bid - Bid Table
