

Instrument Rental Contract/Fee

****New as of the 2016-2017 school year****

Everyone may not be aware that the Music Boosters not only purchase new instruments for the music program, they pay to maintain the instruments we currently own. These maintenance fees could be as small as five dollars or reach into the hundreds of dollars. In the past the Music Boosters have offered Booster owned instruments to any student who needs to borrow a primary instrument (flute, trumpet, alto saxophone, trombone, etc.) or any student playing a secondary instrument (french horn, tenor saxophone, tuba, percussion, etc.) free of charge for the duration of use. Recently, however, repair costs have become a rather large portion of the yearly budget and as a result the Boosters will be asking students who are borrowing an instrument, or using percussion instruments and mallets, to pay a yearly fee of \$15. This money will be used solely for the upkeep and repair of Booster owned instruments and possible purchase of new instruments. This fee is separate from school fees and checks should be made out to "New Knoxville Music Boosters."

In addition, by signing this form it is understood that the student is agreeing to take care of the instrument rented from the school. Furthermore, the student agrees to be responsible for any damage done to the instrument due to personal negligence. Any repairs needed for the instrument due to everyday wear will be the responsibility of the school. It will be left to the discretion of the director to determine to which category any damage belongs.
