

April 12<sup>th</sup>

We celebrated the week of the young child:

- Tasty Tuesday, we made butter!
- Work Together Wednesday, we built letters and completed a STEM challenge of rescuing Rapunzel from her tower.
- Artsy Thursday was filled with art! We sang and danced! Fingerpainted, drew dot art and made water drop art.
- Family Friday we drew our family portraits and shared our favorite book to read with our family.

We wrapped up our pet reports and will enjoy watching each other next week!

We have been working hard on our parts for our book retelling for literacy night!

Thursday, we practiced bus safety on the bus by the school. Friday, we practiced our story retelling and songs in the gym.

We are going to start talking about the farm next week. We will continue to practice many skills, including cutting and writing! On Tuesday, we'll be participating in the author visit in the morning. Mrs. Howard will be gone on Wednesday to professional development in Fairfield. On Thursday we will learn another healthy snack during Pick A Better Snack. Please remember that there is no school on Friday, April 19<sup>th</sup>.
