

The School District of Bangor is looking for a qualified library media specialist for full time employment with the ability to collaborate with teachers to apply the educational skills necessary to guide a 21st Century curriculum. Candidates will need to have the ability to support our mission to enable students to enter the global society with the knowledge, skills, habits, and attitudes required to be contributing citizens.

Ability to assure access to information and technology-rich curricula which motivates all students to be effective users of information, communication and technology. The Library Media Specialist will create information and literacy-rich environments for students and teachers that meet their unique needs. Must be able to carry out responsibilities in a satisfactory manner as determined by the Administration.

Valid Wisconsin Teaching Certification with DPI endorsement #902- Library Media Specialist. School library media specialist should have a broad undergraduate education and hold a master's degree or equivalent from a program that combines academic and professional preparation in library and information science, education, management, media, communications theory and technology.
