### 98C Learning Loss Plan

---

#### Mona Shores Public Schools 98C Learning Loss Plan

Presented [Crew Time](#) to MSBOE on Monday, September 19, 2022

**Project: Mona Shores Middle School "Crew Time"**

- Creation and establishment of a 20 minute "Crew Time" at the beginning of each school day.
- Intended to establish and foster stronger relationships to best support student success.
- Establishes 1 adult that is the "Go To" adult for help and support.
- Better connects students, teachers, and parents and improves communication.
- Incorporates Character Education, Team Building, and Connections.
- Helps all students navigate and understand how to be a better student and take on challenges.
- Allows for focused intervention for individual students.

**Rationale:**

- Focus on further developing relationships that will help support students academically, socially, and emotionally.
- The impact of COVID and finding a way to better address individual student needs and provide focused intervention and remediation.

**Data/Metrics Used to Assess Impact on Learning Loss:**

- Star Reading & Star Math Benchmark Assessments
- SWIS Behavior Data
