Monthly Building Report

State testing is complete. Make-up testing is underway. Thank you to Brian Coalson and Austin Hollaway for all their efforts throughout the testing period. Science testing took place April 10th.

GCS Credit Union donated over \$1,000 for Friday Backpack programs. This money was given to St. Paul United who donate time and effort to provide over 75 bags of food to students each week.

The Junior High Choir donated playground balls to the students in k-5. They took money from their fundraiser and donated.

Track competed in their first meet. Over 60 students are competing in junior high track. We are hosting County Track meet on April 23rd.

Volleyball: 7th and 8th grade teams competed in IESA 3A State Finals. 8th grade finished in 3rd place. Congratulations to both teams on a great season.

IESA membership has been renewed for 2019-2020 year.

5K Challenge: The 5K challenge was another great successful event put on by the PE department. We had almost 400 runners. The event could not be possible without all the volunteers and donations. Thank you to Bill's IGA for their continued help with this event. A big thank you to all the retired staff who came back and helped out. Teresa Jarden, Donna Rhuerhup, Marthee Rizzi and Sue Odorizzi helped out throughout the day.
