Application Process

By May 1 of each year submit the Open Enrollment Attendance Application, (*exhibit JFB-E*) to be considered for enrollment during the following school year to the receptionist at the District Office. She will date and time stamp applications as they are received.

Standards for Acceptance or Rejection

District resident pupils assigned school attendance areas, children of persons who are employed by the district and resident transfer pupils and their siblings who were enrolled in the school the previous year are exempt from the open enrollment policy application requirements. (In other words, employee’s children, current students that were approved to attend your school and their siblings do not have to fill out an application every year.)

First time resident transfer pupils and nonresident pupils are subject to the Open Enrollment policies.

The Governing Board has determined that there is excess capacity to enroll additional pupils when there are less than 25 in any class K through 8th grade at any of the 5 Somerton School District schools. Pupils shall be selected based on designated priority categories from the pool of pupils:

Who have properly completed and submitted applications; and

Who meet admission standards?

After May 1, all applicants will be accepted if there is sufficient capacity. If there is insufficient capacity to receive all applicants for any one grade, at any one school, applicants will be selected in the order the applications were date and time stamped and resident transfer students will be accepted before nonresident pupils. Applications not selected will remain in priority order on a waiting list to be considered if enrollment numbers change before the start of school.
