

2023-2024

Building our Futures at Logan View Elementary!

The goal of Logan View Elementary is to support the success of all students, and we are committed to providing high-quality curriculum and instruction in a supportive and effective learning environment that will enable all students to meet State academic achievement standards as well as school-wide expectations. Working in partnership with parents, families, students, teachers, and principals, we realize the following suggestions can support student learning and achievement:

Parents' and Families' Responsibilities

- Ensure that our child attends school regularly, is on time and prepared to learn, with homework completed and returned to school.
- Be aware of the skills that our child is learning at school each day.
- Read with or to my child for 15 minutes each day, five days per week.
- Get a library card for our child, or encourage our child to bring reading materials from the school library home.
- Attend parent/teacher conferences and communicate frequently with our child's teacher.

Student's Responsibility

- Come to school on time and ready to learn.
- Pay attention to teachers & family, and ask questions when I need help.
- Ask my family to read to or with me for 15 minutes each day, five days per week.
- Welcome help from my family on my homework and other school assignments.
- Return homework and other school assignments to school.

Teacher's/School's Responsibility

- Provide quality teaching and leadership to my students and their families.
- Communicate frequently with families about student progress.
- Recognize that students are accountable for every assignment.
- Participate in meaningful professional development to learn researched methods of teaching students in reading and other curricular areas.
- Provide two parent/teacher conferences per school year.
