

### Making Payments in Student 360

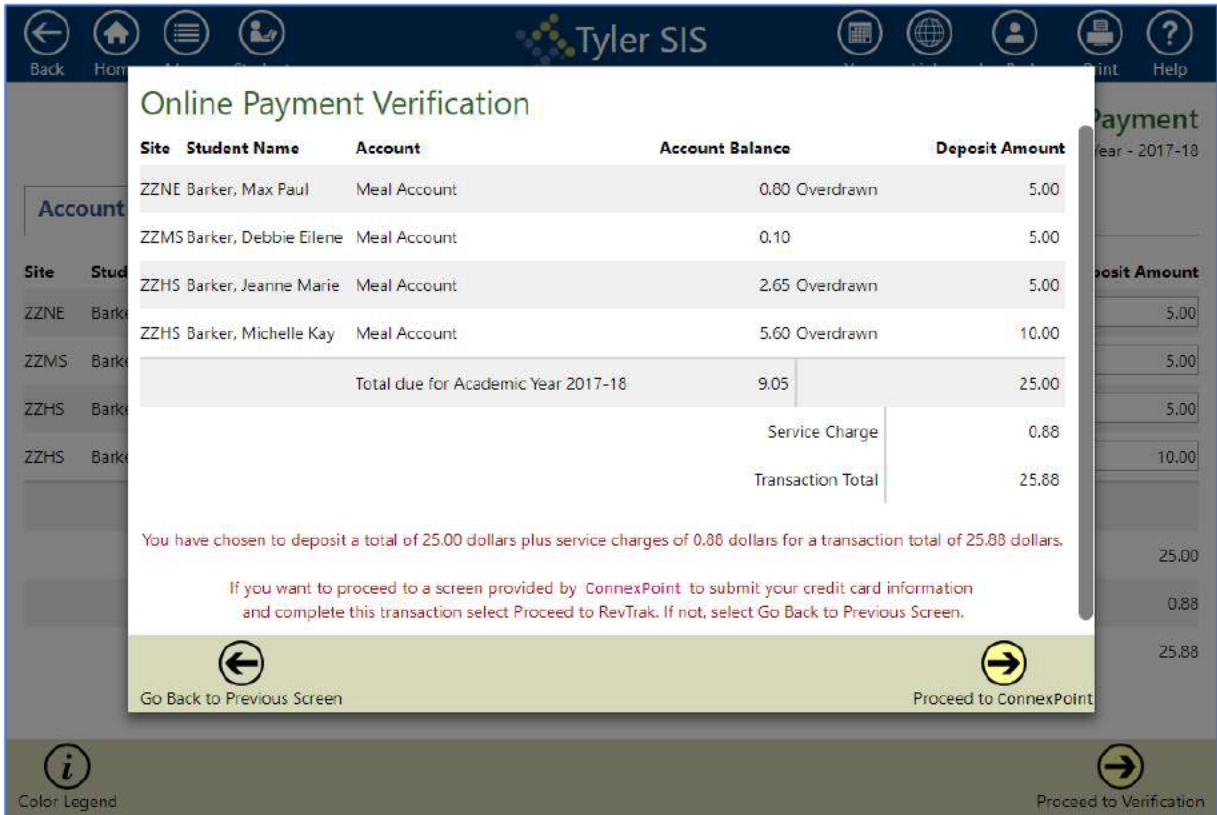

Parents can make payments to their students' meal accounts through Student 360. The Online Payment screen is accessible from the Online Payment tile on the Student Summary screen, by selecting Online Payment from the menu, or by clicking the Online Payment button on the Meal Service screen.

The screenshot shows the 'Online Payment' screen for the academic year 2017-18. It features a navigation bar at the top with icons for Back, Home, Menu, Student, Year, Links, Joe Barker, Print, and Help. Below the navigation bar, there are two tabs: 'Account / New Deposits' (selected) and 'Transaction History'. The main content area contains a table with the following data:

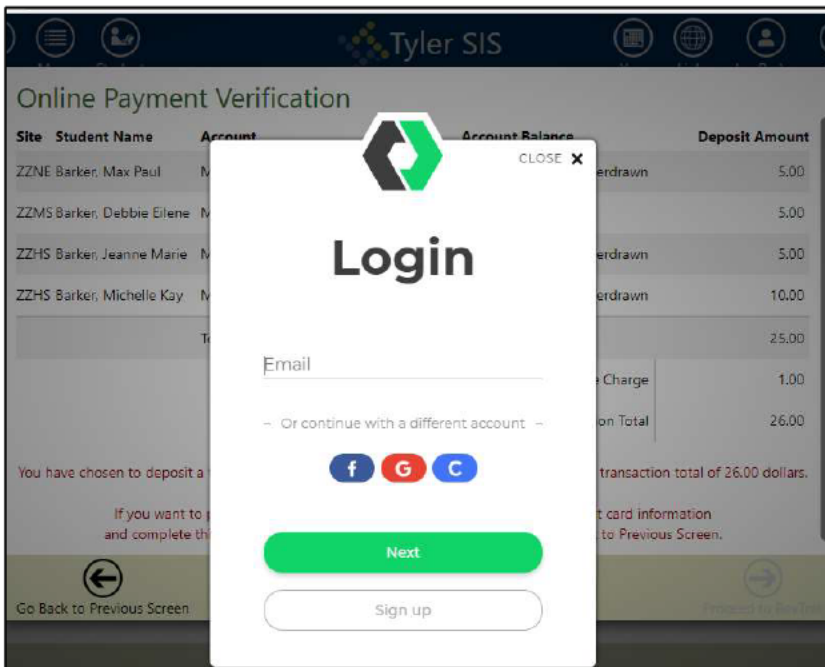

Site	Student Name	Account	Account Balance	Deposit Amount
ZZNE	Barker, Max Paul	Meal Account	0.80 Overdrawn	<input type="text"/>
ZZMS	Barker, Debbie Eilene	Meal Account	0.10	<input type="text"/>
ZZHS	Barker, Jeanne Marie	Meal Account	2.65 Overdrawn	<input type="text"/>
ZZHS	Barker, Michelle Kay	Meal Account	5.60 Overdrawn	<input type="text"/>
Total due for Academic Year 2017-18			9.05	
			Total Deposit	
<b>A sliding scale charge is assessed to cover processing costs.</b>			Service Charge	
			Transaction Total	

At the bottom of the screen, there is a 'Color Legend' icon on the left and a 'Proceed to Verification' button with a right-pointing arrow on the right.

Student meal service account balances display on each row. To deposit to an account, enter a value in the Deposit Amount column. Once all deposits have been entered, click Proceed to Verification.

The Online Payment Verification window displays the deposit amounts along with the service charge and transaction totals. If the totals are correct, click Proceed to ConnexPoint.

The ConnexPoint payment gateway appears on top of the Student 360 Online Payment window. Log into ConnexPoint and follow the on-screen prompts to either enter or use a previously-saved payment

method and make the payment. The email address associated with the ConnexPoint account will receive an email receipt for the payment.

Once the payment has completed, the ConnexPoint window will close and student meal account balances will be updated in Student 360. Once the new balances are displayed, the payment process is complete.

Online Payment with RevTrak works the same way as it does on the web. Users enter deposit amounts, verify those deposits, and make payments directly through the app.
