"Home of the Seligman Antelopes"

Dear Parents/Guardians,

We need to bring some important dates to your attention. As you know this winter we have had a little more weather compared to normal. With that we have had to cancel more school days than normal. Every year we add extra days into our School Year Calendar just in case we have to cancel school due to weather related conditions. This year we exceeded the amount of days we had built in by 4 days. Due to State Regulations our children need to attend a certain amount of days and hours in school, so we will need to make those days up.

Our teachers and staff decided on days to makeup that would work best. At our last board meeting our Board Members voted to approve those days. These dates are mandatory for our students as they are part of our makeup days for what we had to miss due to weather. Everything as far as hours, bus runs and school meals will be the same as if it were a regular scheduled day of school.

The days needed to attend to for makeup will be:

Monday April 10, 2023

Friday April 14, 2023

Friday April 21, 2023

Friday May 12, 2023

Thank you for your understanding and cooperation.

Sincerely,
Rick Lindblad
