

E. B. Morse Elementary School

Title I Parent Involvement Policy: 2023-2024

E. B. Morse Elementary School will involve parents in regular, two-way meaningful communication addressing student achievement and ensuring:

- that parents play an integral role in assisting their child's learning;
- that parents are encouraged to be actively involved in their child's education; and
- that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

In compliance with Section 1118(a)(2), of the Elementary and Secondary Education Act (ESEA), our school agrees to implement required statutory requirements to:

- Involve parents in the joint planning and development of the school's Title I plan through representation on the School Improvement Council/Schoolwide Planning Team and participation in meetings.
- Involve parents in an annual local review of the school Title I plan and use the results of the annual review to address any identified barriers to parental participation. The annual review will be conducted in the spring of each year.
- Involve parents in the development, implementation, and review of the Parent/Student/Teacher/Principal Compact. The compact will be discussed and signed during the fall report card conferences/pick-up and reviewed during the spring annual review of the school Title I plan.
- Involve parents in the planning and development of effective parent involvement activities through representation on the Schoolwide Planning Committee.
- Build the schools' and parents' capacity for parent involvement by:
 - providing parents with information on state standards, assessments, monitoring of student progress, and working with teachers and administrators.
 - providing information to parents during an annual fall meeting, quarterly progress reports, during the parent-teacher conference, in our newsletter, and on our website.
 - Providing materials, resources and training to help parents work with their children to improve academic achievement.
 - Communicating regularly with parents in clear and understandable terms. This will include opportunities for parents to participate in decision-making roles, volunteer

opportunities, schoolwide planning team meetings, School Improvement Council, annual parent survey,

- Parent/Student/Teacher/Principal Compact, and parent-teacher conferences.

This E. B. Morse Elementary School Parental Involvement Policy has been developed with input from stakeholders and agreed upon by parents of children participating in the Title I Schoolwide Program of E. B. Morse Elementary School.
