Superintendent's Message

Dear Laurens County School District 55 Community,

It is with great enthusiasm that I reflect on the many remarkable achievements of our students, faculty, and staff during the 2022-2023 school year. Despite the challenges we faced, we persevered with courage, resilience, and a commitment to excellence.

Our students demonstrated academic prowess, athletic skill, and artistic talent, achieving countless victories and accolades. Our educators and support staff continued to inspire us with their unwavering dedication, creativity, and passion for teaching and learning.

We also made tremendous strides in advancing our district's mission of Empowering and Inspiring All to be Educated and Informed. We implemented innovative programs and initiatives that ensure every student has access to high-quality educational opportunities and the supportive environment they need to thrive.

Looking ahead, I am eager to build upon our successes, focus on continuous growth and improvement, and continue pushing the boundaries of what is possible. With the support and collaboration of our entire community, we can create a world-class education system that prepares our scholars for success in life.

Thank you for your ongoing partnership and commitment to our shared vision of excellence in education.

Sincerely,

Ameca C. Thomas

Who We Are

Established in 1972 in Laurens County, South Carolina, Laurens County School District 55 is an accredited Cognia public school district committed to making every child a champion. We focus on instruction, staff development, community & family engagement, providing innovative learning facilities, and fiscal accountability.

We are proud to serve a diverse community and humbled to be honored with the 2023 Golden Achievement Award by the South Carolina National School Public Relations Association for our communication efforts.

Geographical Area Served

We serve the communities of Laurens, Waterloo, Gray Court, Hickory Tavern, and the surrounding residents in the northern half of Laurens County. LCSD 55 covers approximately 300 square miles.

Mission

*Empowering and Inspiring All
to be Educated and Informed*

Vision

Laurens County School District 55 prepares students for success in learning and careers through engaging, challenging, and personalized learning experiences. Students are curious, confident in their own abilities, and competitive in the local, national, and global environment. Students are safe, valued, and supported in their learning by highly effective staff, families, and community.

Theme

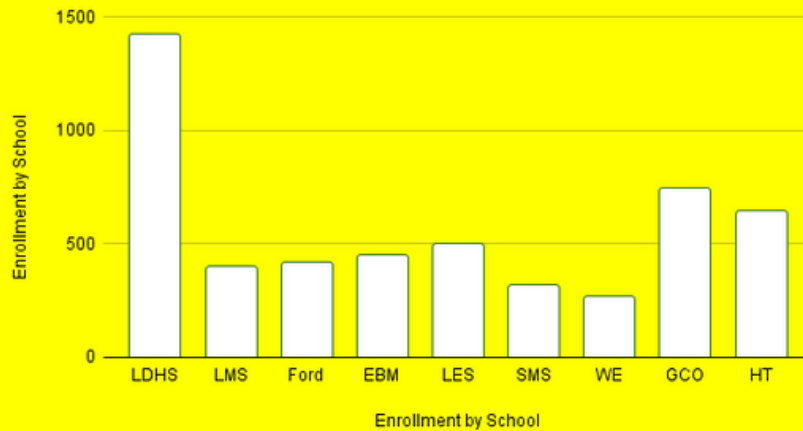

*World-Class Champions...
Every child, every chance, every day!*

Goals

- *Provide world-class safety and a positive school culture.*
- *Provide world-class, high-quality instruction to increase student achievement.*
- *Provide world-class communication and family engagement.*

Empowering and Inspiring All to be Educated and Informed

Laurens County School District 55 in Laurens, South Carolina, is a district committed to making every child a champion. We focus on instruction, staff development, community & family engagement, providing innovative learning facilities, and fiscal accountability. We are proud to serve a diverse community and humbled to be honored with the 2023 Golden Achievement Award by the South Carolina National School Public Relations Association for our communication efforts. Our district's participation in the SEED grant empowers us to cultivate excellent leaders, which highly impact our teacher effectiveness and students' performance. The SEED grant has also increased our ability to attract and retain principals, particularly in our highest-need schools.

In 2020, Laurens 55 partnered with the National Institute for Excellence in Teaching (NIET) to join the South Carolina Principal Leadership Network (SCPLN). SCPLN is a cohort-based program, funded by a federal Supporting Effective Educator Development (SEED) grant, aiming to build and accelerate the leadership capacity of school leaders in high-need districts. Laurens 55 principals and assistant principals in SCPLN receive high-quality virtual professional development, quarterly on-site coaching, and quarterly networking opportunities via virtual communities of practice.

Through SCPLN, Laurens 55 has strengthened the instructional leadership skills of its school leaders—creating a cadre and pipeline of effective school leaders.

Student Impacts

3 LDHS students were accepted at SC Governor's School for the Arts

Superintendent Scholars

Special Highlight: Waterford Upstart

The South Carolina Department of Education (SCDE) included Laurens County School District 55 (LCSD 55) in the Waterford Upstart Family Engagement Project grant. The program empowers parents and caregivers of young learners as the first teacher in the home. The learning model uses research-based early learning software technology. Four-year-old kindergarten (4K) students were provided with computer-adaptive instruction at home alongside personalized support from Waterford Upstart's family education liaisons.

This initiative provides young learners in LCSD 55 additional support to ensure kindergarten readiness. Each student receives a highly-personalized curriculum in math, science, and reading aligned with the South Carolina Early Learning Standards. To achieve desired outcomes, students need to use the program 15-20 minutes a day, five days a week.

Participation in the Waterford Upstart Family Engagement Program does not require classroom time. LCSD 55 teachers are encouragers and cheerleaders for promoting the use of this program in the homes of all 4K students.

Student Impacts

151 Preschool students participated in this program.

In three months, 55% of those Preschoolers completed Pre Reading 1 and continued on with Pre Reading 2 and Pre Reading 3.

153 Kindergarten students placed at Pre Reading 1.

In three months, 88% of those Kindergarten students moved beyond Pre Reading 1 and continued with Pre Reading 2 and Pre Reading 3.

56 First-grade students placed at Pre Reading 1.

In three months, 82% of those first-grade students moved beyond Pre Reading 1.

49 Second-grade students placed at Pre Reading 1.

In three months, 98% of those second-grade students moved beyond Pre Reading 1.

Staff Development

Laurens County School District 55 will continually strengthen the recruitment, retention, and development of highly effective staff.

THE TIMES IN 55

March 2023

This is a publication of Laurens County School District #55 (LCSD 55) to share information from the recent meeting of the LCSD 55 Board of Trustees. While this information may not be all inclusive of all that was discussed, we strive to provide that which is deemed most informative for district stakeholders. Meetings are livestreamed and can be watched in real time via a link on the district website.

A MESSAGE FROM THE SUPERINTENDENT

Greetings Laurens County School District 55 Community,

Do you believe that Spring Break is here? Our students, teachers, and staff members have been working hard to be champions every day, and they all deserve this break. I am thankful that we all get the opportunity to rest, recharge, and enthusiastically face the remaining days of this school year.

As we go by quickly, and in a blink of an eye, the end of the 2022-2023 school year will be here. Students will soon be taking standardized examinations. I have confidence that our students will do their best to reflect what they have been learning.

As we pause to recharge, I would like to share a condensed version of the information presented at our March 27, 2023, School Board Meeting. Should you have any questions about this information, please do not hesitate to reach out to me or to a member of the district staff at 864-964-3568.

I appreciate your support!

Sincerely,

Dr. Thomas, Superintendent

VISION STATEMENT

Empowering and Inspiring All to be Educated and Informed

MISSION STATEMENT

Laurens County School District 55 Receives an Award for Safety Made Clear Campaign

April 17, 2023

Laurens County School District 55 (LCSD 55) has been awarded the Golden Achievement Award from the National School Public Relations Association for their "Safety Made Clear" campaign.

The campaign was developed by the district's safety team, who have been working on safety for several years. The campaign's goal is to promote safety and reduce the risk of a safety threat item.

person Listen & Learn sessions in early 2022, measures to prevent weapons from entering the district's planning process. The campaign's goal is to promote safety and reduce the risk of a safety threat item.

Fiscal Responsibility

Laurens County School District 55 will use resources effectively and maintain a strong fiscal position.

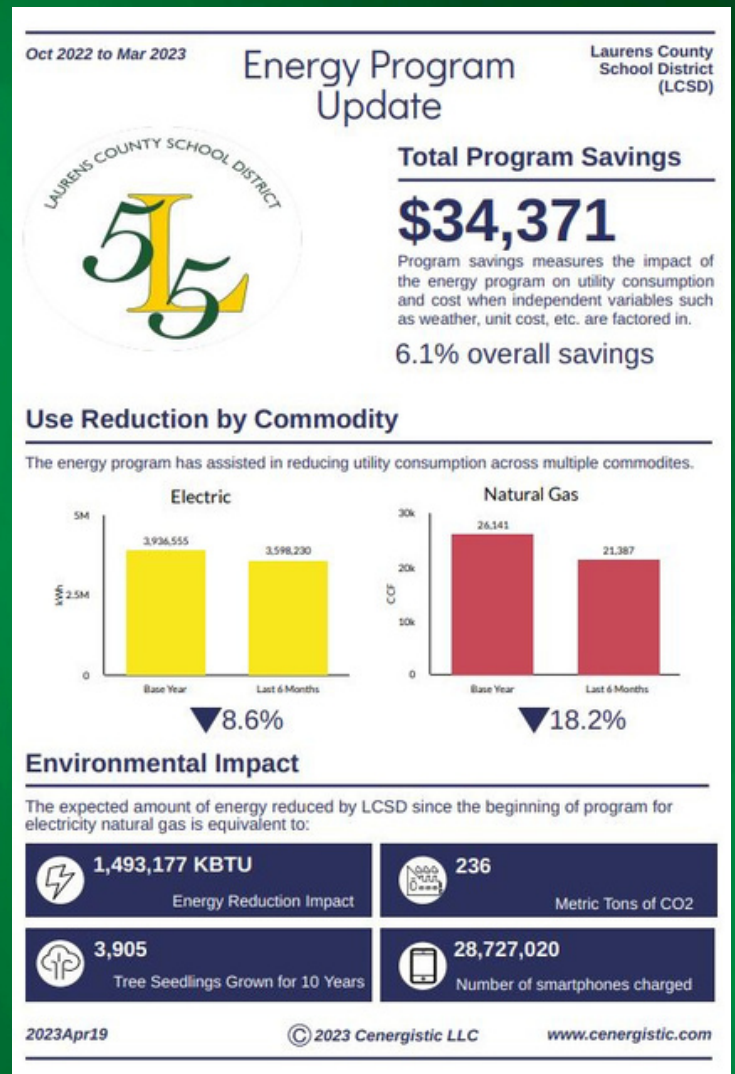

Initiatives

- Budget Monitoring
- Cenergistic Energy Conservation Program
- Financial Transparency
- Fiscally-sound Budget
- LED Project utilizing Duke Energy Rebates and low-interest ConserFund Financing
- Public Input
- Right-size staffing
- Student Nutrition Funds & Grants

Special Highlight: Cenergistic

In September 2022, the LCSD 55 School Board approved for the district to go under a 5-year contract with Cenergistic. Under this contract, the projected 5-year program gross savings based on comparable properties is \$1,540,000.00, and a net savings of \$904,000.00 after applicable program investment fees. A great feature of the program is it is budget neutral. LCSD 55 does not need to generate new funds to be able to invest in the Cenergistic program. The current 2% budget allocated for utilities will cover anticipated utility bills and fees for the Cenergistic program. Further, the district is not required to invest in new equipment to generate savings. District utility savings are guaranteed to be more than the investment. Furthermore, Cenergistic guarantees to give LCSD 55 a yearly refund on the investment fees if no savings are generated for a specific year.

Special Highlight: Student Nutrition Funds & Grants

Ms. Wanda Knight, the Director of LCSD 55 Student Nutrition Services is passionate about ensuring LCSD 55 students are properly nourished. She believes that “hungry children can’t learn.” She has a big heart and is concerned about students who may only be getting the proper nourishment at school. She is meticulous with getting work done, including applying for various food grants.

In 2022-2023, all LCSD 55 students received free breakfast and lunch. Additionally, three elementary schools received the Fresh Fruit and Vegetables grant. This grant allowed students to try new fruits and vegetables for a snack.

LCSD 55 was also awarded \$27,444.00 by the South Carolina Department of Education and the South Carolina Department of Agriculture to purchase locally-grown produce. The fund enabled our district to provide all LCSD 55 schools with more options for fresh fruit or vegetables for breakfast and lunch.

In Spring 2023, Director Knight requested the United States Department of Agriculture (USDA) to provide LCSD 55 extra funding to purchase fresh fruits and vegetables. USDA approved the request, and LCSD 55 received \$5,000.

In Spring 2023, the South Carolina Department of Education notified LCSD 55 that the district will receive \$50,530.29 to purchase non-processed foods, like milk, fresh fruits, and vegetables.

55 IMPACT

Parents' Testimonials

"Thank you for instilling and improving Tucker's knowledge and skills for farming and caring for animals. We are so grateful for the agriculture/horticulture programs at LDHS and Tucker's involvement with them and the Future Farmers of America."

-Mr. Brian McHone

"The Navy Junior Reserve Officers Training Corps Program at LDHS is an excellent program that prepared Matt for the Navy. It combines discipline, physical activity, teamwork, and responsibility that has truly helped our son mature in many ways. Under the leadership of Senior Chief Flood and Commander Politino, Matt learned the value in hard work, taking responsibility, and accomplishing goals he could take pride in."

-Mrs. Gemini Dyar

"We are thankful that Anna had the opportunity to graduate high school with an Associate of Arts Degree from Piedmont Technical College. The LDHS Middle College Program gives students the ability to jump-start their college career while in high school, and it's a great way for students to become acclimated to the rigors of a college curriculum. Financially, because the program satisfies basic college degree requirements, this can be a game changer for many families trying to navigate paying for their child's college education."

-Dr. Seth Reynolds

"It was a very proud moment as a parent to see my child receive the Superintendent's Scholar Award! My husband and I have always instilled a love for learning and stressed how hard work pays off. Receiving this award signifies that academic diligence is required for school success and future endeavors. We are grateful to the school district for recognizing students for their academic achievements."

-Nichole Hunt

55 IMPACT

"Softball is an important part of my life and it has helped me build relationships, come out of my shell basically... I want to give a shout out to Mrs. Hill for being the coolest teacher ever, my Business Teacher, and just teaching me a lot about business law... I'm very excited for my future. Thank you Laurens 55 for making an impact!"

*-Kauree Munyan
12th Grade LDHS*

"I've been in the Health Science Program for three years... I learned how to care for others and be sympathetic towards others... My career goal is to work as a psychiatrist in an elementary or middle school in a low income community in order to further educate the community on mental health awareness. My experience within the district has led me to this career... Thank you District 55 for making an impact in my life so that I can make an impact on others!"

*-Mykayla Neely
12th Grade LDHS*

"I've really enjoyed my time playing both football and baseball... baseball has really made an impact in my life... Coach Patterson has made it such a joy and has made such an impact in my life... Thank you District 55 for making an impact on me!"

*-Jackson Martin
12th Grade LDHS*

Students' Testimonials

"One way being in school has impacted me is teaching me about responsibility... another thing is being respectful is the right thing to do... another thing is using your voice to speak up. All of these three things I have learned prepared me not only for going to the high school next year but for my life ahead of me. Thank you Laurens 55 for making an impact!"
