# ADMINISTRATION

## *SUPERINTENDENT*

It is my sincere wish that the pages of this year-book will help you to recall a very eventful year in your life and remind you of the inspiration you received from your dedicated teachers. May their words of encouragement be remembered with their wish for the best in life for each of you.

It has certainly been a pleasure working with the fine gentlemen of this school board. I wish to thank the faculty, student body and the community for the fine cooperation given us.
