. MANY THINGS AT M. H. S.

Time is not measured by the passing of the year, but by what one does ... what one feels ... and what one achieves.

The Diamondback Staff hopes the pictures on these pages will help you to remember what you felt, what you did and what you achieved during the year 1976-77.

ADMINISTRATION

The theme "A Time For" signified during our centennial year will be very gratifying in recalling treasured events.

It has been the goal of your instructors through training, wisdom and devotion to guide and direct you as students, to the threshold of your potential.

Life is a matter of choices between alternate courses of action. Our School Board, Administration and Faculty as your friends, pray that you will make wise decisions so that your paths will be the way of love, peace, happiness and understanding.

To everything there is a season and a time to every purpose under the sun... Now that we have received our 1977 yearbook, it is time to thumb through its pages and recall the events it records. It is also time to get our friends to autograph their pictures and maybe write a comment about mutual friendships. Then it will be time to lay the Diamondback on the shelf until in some future time you pick it up again to relive in memory the events of the 1976-77 school year.

As your Principal I sincerely wish this to be a time of happy memories of your association with your class mates and also with your teachers as you studied to gain knowledge for your adult life.

Shakespeare said, "There is a time and place for all things."

As we turn the pages of this yearbook we find it a time for reminiscing. To each and everyone a different thought or idea is brought to mind—happy times, sad times, and even times we would like to relive. Since time does not turn back for anyone, we bask and cherish all the fond memories that are left because from today on it is a time for looking forward to a world so full of a number of things. Be creative—creative thinking is a gift: It has the power to build and lift.

THE GOLDEN CHAIN OF LOVE

LOVE is a GOLDEN CHAIN. The links are parents so dear, And like a rare and precious jewel It's treasured more each year . . . It's clasped together firmly With a love that's deep and true, And it's rich with happy memories And fond recollections, too . . . Time can't destroy its beauty For, as long as memory lives, Years can't erase the pleasure That the joy of parents gives . . . For love is a priceless gift That can't be bought or sold, But to have an understanding parent It's worth far more than gold . . . And the GOLDEN CHAIN of LOVE Is a strong and blessed tie Binding kindred hearts together As the years go passing by.

IN MEMORY OF

Paula Rae Daniels

WE'LL SEE THEM AGAIN

The sun has gone to rest beneath the lake,
And one by one the little stars awake;
But do not think because it slips from view,
The sun has bid the earth a last adieu.
We say the sun has "gone to rest" when night
Drops a veil that dims the mortal sight;
But it has risen on another world,
The petals of its golden bloom unfurled,
And there the robin in the treetop sings,
And warmth and light awake all waiting things.

And so "at rest" is what we sometimes say
Of that dear one who gently slipped away;
But she has simply vanished from the earth
To find elsewhere a new and glorious birth;
Lost to our sight a little tearful while,
Her tender voice, her quick and eager smile.
But surely as the faithful, rising sun
Returns to bless our eyes, so will this one
Be waiting when the dawn of dawns appears.
So put away your sorrow and your tears,
And know that you will see her face to face,

Whose light already shines in that far place.

LIBRARY CLUB

The library is the center of knowledge at J. D. Leftwich High School. This year's library is the largest our school has had. Many new books have been added to stimulate the interest of all students.

Accessing new books and repairing old ones are two of the duties required of the librarians. These students type new cards and place the books on the shelves after they have been returned.

KING AND QUEEN OF HEARTS

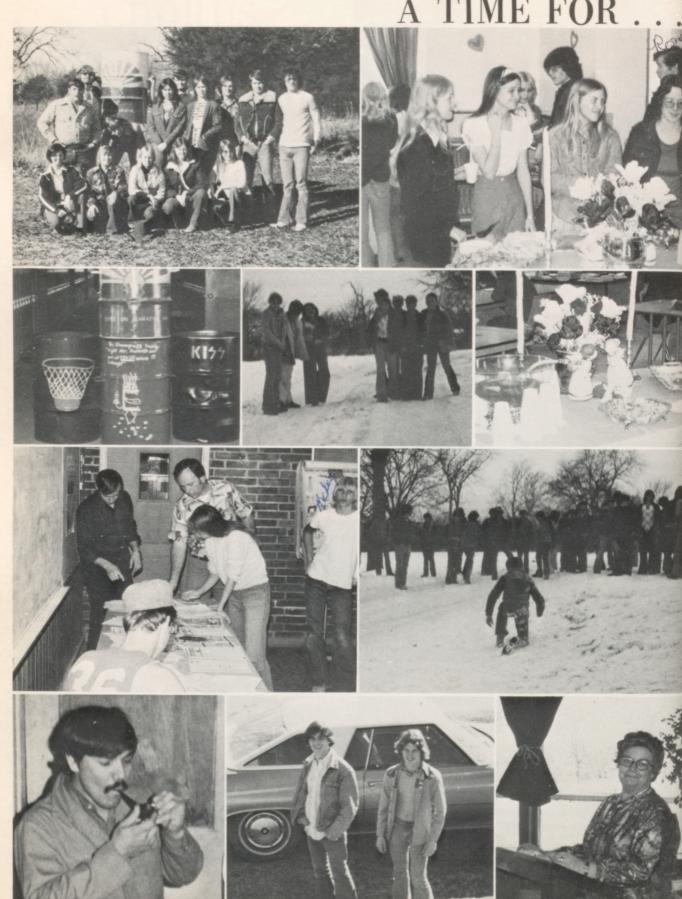

Jay Kirbo, a senior, and Jane Green, a sophomore, were selected King and Queen of Hearts by the student body. They were elected by popular vote and reigned on February 14, Valentine's Day, over a tea given for the entire student body.

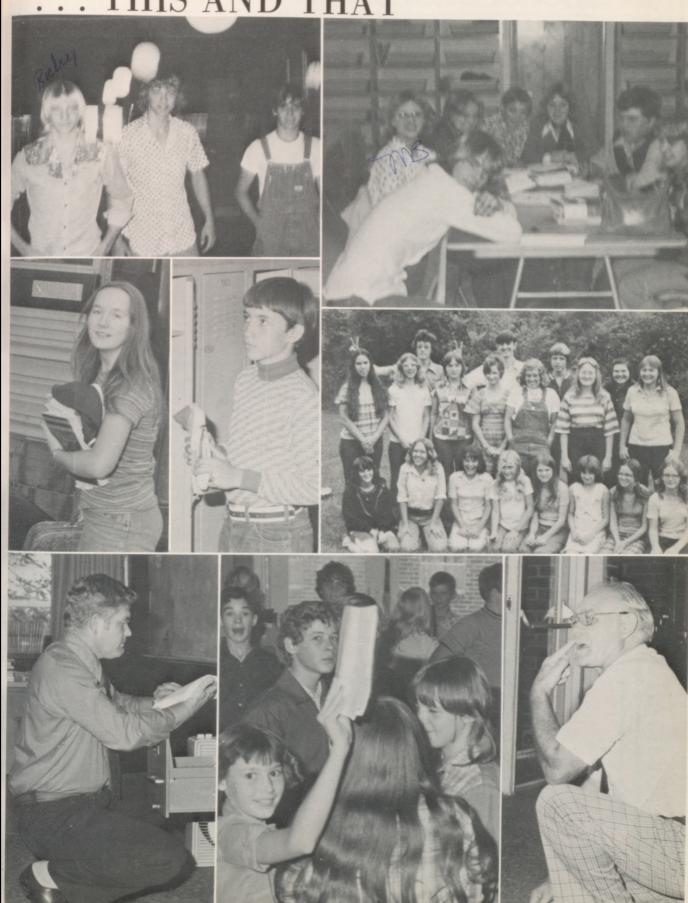

DOLL HOUSE

To learn about the life style of our colonial forefathers and to enter a Bicentennial contest at U-C-A., the juniors of 1976 built this doll house. The boys did the carpenter work and the girls did the papering, painting, made the curtains, rugs, etc. The project was cancelled by U-C-A. but the class continued to work. The persons most responsible for the completion of the project were George Martin and Philip Warren.
