

STAMFORD INDEPENDENT SCHOOL DISTRICT

January 14, 2021

For Immediate Release

Stamford ISD would like to join 1,024 school districts throughout Texas in celebrating January as School Board Recognition Month.

Our school board members are volunteers who shoulder critical responsibilities and often make difficult choices for our district, all without pay. Their goal is always focused on the future success of the students in our district. Celebrating School Board Recognition Month is one way we can say thanks for all that they do.

Serving as the link between the community and the classroom, school board members are elected to establish policies that provide the framework for public schools. The Stamford ISD board is responsible for an annual budget of \$7.9 million, 601 students, 109 employees, and 3 campuses.

Board members serving Stamford ISD are:

Jennifer Caddell (President)
Curtis Birdsong (Vice President)
Justin Corzine (Secretary)
Gwen Baker
Zach Logan
Callie Metler
Eric Strand

Please take a moment and let them know we support them and that their dedicated service is recognized and truly appreciated.

With Gratitude,
