## INTRODUCTION

House Bill 5 (HB5), passed by the Texas Legislature this spring, made substantial changes to the state's graduation requirements, moving from the current " $4 \times 4$ " graduation plans to a 22-credit Foundation High School Program (FHSP) that allows students to earn endorsements in specific areas of study by completing four additional credits and performance acknowledgements. Students entering high school in the fall of 2014-15 and therafter must meet the requirements of the Foundation High School Program to receive a high school diploma. Students are allowed, with parent consent, to change to a different plan after the completion of their sophomore year.

A student may elect to graduate without an endorsement under the high school foundation plan after the student's sophomore year if the student and the student's parent or guardian are advised by the school counselor of the benefits of graduating with one or more endorsement; the student's parent or guardian must file written permission with the high school allowing the student to graduate without an endorsement.

The purpose of this guide is to help parents and students have a greater understanding of the Foundation High School Program (FHSP) graduation plan. This guide contains an overview of graduation requirements for the FHSP, endorsement options in both Non-Career and Technology Education (Non-CTE) and Career and Technical (CTE) pathways.

It is important to note that additonal updates and changes may be released by the State Board of Education and the Texas Education Agency. That information will be incorporated into this guide when available. This guide will be made available on the Stamford ISD website.

## GRADUATION PLAN OPTIONS

## FOUNDATION HIGH SCHOOL PROGRAM

This 22 credit option is a basic graduation plan. However, it is not available until after the completeion of the sophomore year. Changing to this plan will require parent and administrative approval in writing.

## FOUNDATION WITH ENDORSEMENT

This graduation plan replaces the previous recommended High School Program. Endorsements are described in detail in this guide including: core course requirements by endorsement, and possible career fields.

A student may earn an Endorsement by successfully completing

- the curriculum requirements for Foundation High School Program
- the curriculum requirements for one or more endorsement(s)
- additional coursework to include
- four credits in mathematics
- four credits in approved science courses
- two additional elective credits

## FOUNDATION DISTINGUISHED LEVEL OF ACHIEVEMENT

The Distinguished Level of Achievement replaces the current Distinguished Achievement Plan as the highest graduation plan in the state of Texas for students entering high school in 2014-2015 and thereafter.

In order to be considered for Top Ten Percent Automatic Admission in Texas Public Universities, graduates MUST earn a Distinguished Level of Achievement diploma.

A student may earn a Distinguished Level of Achievement by successfully completing

- the curriculum requirements for Foundation High School Program
- the curriculum requirements for one or more endorsements
- additional coursework to include
- four credits in mathematics (including Algebra 2)
- four credits in approved science courses
- two additional elective credits

## PERFORMANCE ACKNOWLEDGEMENTS

Students may earn a performance acknowledgement on their diploma and transcript by outstanding performance in any of the following areas:

- Dual credit course - At least 12 dual credit hours with a grade of 3.0 or higher on 4.0 scale.
- PSAT, ACT-Plan, SAT, or ACT
- PSAT Commended Scholar, National Hispanic Scholar, National Achievement Scholar; OR
- ACT PLAN college readiness in 2 of 4 subject tests; OR
- SAT combined Critical Reading and Math of at least 1250; OR
- ACT composite of 28 (excludes writing subscore)

Earning a nationally or internationally recognized business or industry certification or license with

- Examination performance to obtain national or international business or industry certification; OR
- Examination performance to obtain a government-required credential to practice a profession
- AP Test
- a score of 3 or above on a College Board advanced placement examination

## ENDORSEMENT OVERVIEW

Students may earn an endorsement in the following areas: Arts \& Humanities; Business \& Industry; Multidisciplinary; Public Service; and Science, Technology, Engineering \& Math (STEM). SISD offers courses to meet endorsements in all areas. There are specific course requirements in the foundation curriculum based on the endorsement selected. Most endorsements offer both a Career and Technical Education (CTE) Pathway and a Non-CTE Pathway.

A student may earn an endorsement by successfully completing

- curriculum requirements for the endorsement
- four credits in mathematics
- four credits in science
- two additional elective credits

Students should select courses for an endorsement based on areas of interest, student strengths, or possible career paths.

## BENEFITS OF GRADUATING WITH AN ENDORSEMENT

The Texas Education Agency, in consultation with the Texas Workforce Commission (TWC) and the Texas Higher Education Coordinating Board (THECB), must prepare and make available to each school district information that explains the advantages of the distinguished level of achievement and each endorsement.

The information must contain an explanation

- concerning the benefits of choosing a personal high school graduation plan that includes the distinguished level of achievement under the foundation high school program and includes one or more endorsements to enable the student to achieve a class rank in the top 10 percent for students at the campus; AND
- that encourages parents, to the greatest extent practicable, to have the student choose a personal high school graduation plan.

## BUILDING A FOUR YEAR PLAN

## SELECTING COURSES

Course selection is highly dependent upon the endorsement students plan to pursue. Some endorsement options have different core course requirements. It is important that students and parents pay attention to the Core Course Comparison Chart in this guide when creating their four year plan. Students should select the most challenging core courses to allow them the most flexibility should they decide to change their endorsement or pursue multiple endorsements.

When selecting courses and an endorsement, students should consider the following questions

- Which subjects do I enjoy and/or am I interested in?
- Am I challenging myself academically?
- What is my goal for post-high school?
- Are my study habits good or do I need to improve?
- What do my teachers recommend?
- Which combination of courses will give me a strong foundation and keep as many doors open as possible?
- What are the course requirements for post-high school educational institutions I am interested in?
- What career center options are there for me to explore a potential career?

Students are allowed to change their graduation plan at the end of their sophomore year.

## Starnford ISD Graduation Plans

## Foundation Only- 24 Credits*

* 4 credits English-ELA LIIII, one credit in any authorized advanced English course
- 3 credits Mathematics - Algebral, Geometry,one credit in any authorized advanced math course
- 3 credits Sclence - Blology, one credit in any advanced sclence course, one credit in IPC or In any additional authortzed advanced sclence course
- 3 credits Social studles-US History Government, Economics, World Geography or World History
- $\mathbf{2}$ credits Worid Language or substitute
- 1 credit Physical Education
- 1 credilt Fine Arts
- 5.0 credits In electives
- 2 additional electhes: local or state (may Include CTE or certilication courses)
*Students may opt to Foundation-only after completing sophomore year.

Foundation +
Endorsements- 28 Credits

- $\mathbf{4}$ credits English - ELA I, II, III, one credit in any authorized advanced English course
- 4 credits Mathematics - Algebra ! Geometry, two credits in any authorized advanced math course
- $\mathbf{4}$ credits Sclence - Biology, two credits in any advanced sclence course, one credit In IPC or in any additional authorized advanced sclence course
- 3 credits Soclal Studles -US History, Government, Economics, World Geography or World History
- 2 credits World Lanquage or substitute
- 1 credit Physical Education
- 1 credit Fine Arts
- $\mathbf{7 . 0}$ credits In electives (may include CTE or certification courses)
- 2 additional electives: local or state
- Credit requirements specific to at least one endorsement

Distinguished Level of Achievement-28 Credits

- 4 credits English- ELA LII, III, one credit in any authorized advanced English course
- 4 credits Mathematics - Algebra l, Geometry, Algebra Il, one credit in any authorlzed advanced math course
- $\mathbf{4}$ credits Sclence - Blology, two credits in any advanced sclence course, one credit in IPC or in any additional authorized advanced sclence course
- 3 credits Social studles-US History, Government, Economics, World Geography or World History
- $\mathbf{2}$ credits World Language or substitute
- 1 credit Physical Education
- 1 credit Fine Arts
- $\mathbf{7 . 0}$ credits in electives (may includeCTE or certification courses)
- 2 additional electives: local or state
- Credit requirements specific to a least one endorsement

## Performance Acknowledgements

- Outstanding performance: Dual credit coursework college AP Exam;PSAT, Plan, SAT or ACT
- Certification: nationally or Internationally recognized business or Industry certificate or license

During the 83rd Texas Legislature, House Bill 5 was signed into law, which changes high school graduation requirements for students who will be freshmen during the 2014-15 school year and beyond. The bill provides more flexibility for high school students to pursue whether it's higher education or a career pathway. It establishes one graduation plan - Foundation High School Program (FHSP) - with opportunities to earn endorsements and performance acknowledgements.

## Arts \& Humanities Endorsement

## Possible Careers

- Artist, An'mator, Art Director, Fashion Desipner, Graphic Designer, Landscape Architect, Film Director, Interior Designer, Photographer, Floral Design, Heb Design
- Band Director, Music TeachemProtessor, Music Libarian, Minister of Music, Concert Hall Manager, Stape Manaper, Sound Engineer or Aurtio Technicien, Instrument Repait, Piano Tuner-Technicien, Music Store Menager, Nusic or Voice Therapist, Music Producer, SingerSSongwitter, Publicist, Music Joumetist, Radio or TV Disc Jackey, Music or Program Director, Record Producer, Recording Engineer, Professional Musician, Booking Agent, Concert Prometer, Tour Coorfatorf Manaper
- History Teacher, Historian, Museum Curator, Trawel Agent/Guide, Collepe Professor, Archivisi, Anthropologist, Archeeolagiet, Sociologist, EnforlJoumalist, Lawyer, Political Analyst, Government Lobbyist, Foreign Service Officer
