

Do you want to make a living that makes a difference? Then see what AFJROTC has to offer you!

Pathway Description:

Your pathway depends on your personal and professional goals. Each student that participates in the AFJROTC does not necessarily go on to join the Air Force. The Air Force is one course of action available, but the AFJROTC pathway is also a great way to develop life skills and discipline that will be beneficial in post-secondary education or an alternative career choice.

Key Competencies:

- Aerospace science
- Leadership education
- Physical fitness & personal wellness
- Train in citizenship & life skills
- Develop character & self-discipline

Courses (HS Credits):
