Abby Cochran, Supervisor of School Leaders and Instruction

DATE: May 5, 2023

RE: Summer Remediation Program

The West Feliciana Parish School Board is providing a summer remediation program known as **Project Success** to allow students additional time and support in mastering the Louisiana Student Standards. Students will participate in instructional activities using a variety of software programs, materials and strategies. **You will receive an additional letter with this memo from your child's school detailing if your child's participation is required or optional.**

Project Success will begin on **Tuesday, May 30, 2023**. Classes will be held Monday through Thursday. The last day of class will be **Thursday, June 29, 2023**. *(See attached program schedule)*

**Limited transportation will be provided to the areas of the parish listed on the attached bus routes. Bus routes may be adjusted after the program begins.** If the bus does not come in the area where you live, parents are responsible for having someone meet the bus at the drop-off point. If you have questions regarding transportation, please call Rod Lemoine at 572-0490 or your child's school. **Students will board the buses at 12:00 p.m. Parents also have the option of picking up their children at the school by dismissal time.**

Please complete the attached application and return it to your child's school no later than \_\_\_\_\_. Note the application must be returned regardless of your student's participation.

Thank you for partnering with our schools.
