

West Feliciana Swim Team 2023-24

Congratulations on being a part of the West Feliciana Swim Program! Below are a few points of emphasis to review before we jump into the season:

- Please note that we hold all our practices at the YMCA Americana in Zachary. Because we take a school bus to and from practice each day, we require that you complete the **permission slip** below and return with your swimmer before tryouts. **You must hand your tryout bus ticket to Coach Odom on the day of tryouts to be able to get on the bus.**
- You are required to join our **REMIND**. **If you are with the high school, text @wfhs swim to 81010. If you are with the middle school, text @mswfswim.** This will be our main method of communication pertaining to the status of practice (weather), logistics for swim meets, and any other schedule changes.
- On days with inclement weather, we will make a call about practice by 2:15pm via REMIND. If you do not receive a remind, that means we are loading the bus and heading to Zachary for practice.
- Please make sure your swimmer has the following equipment each day for practice: towel, swimsuit, goggles and a water bottle
- We will give information about fees and apparel at the parent meeting (to be announced)

We are excited about the 2023-24 Saints Swim season! Please feel free to contact Head Coach Alana Lyons at 225/315-1472 or Assistant Coach Dianne Peabody at 225/721-0235 with any questions or concerns.

Go Saints!

.....

My child has permission to ride the West Feliciana Parish School Activity Bus to the YMCA Americana in Zachary for swim practice each day. I am aware that the bus will pick my child up from either WFHS or WFMS each day after school and return them to the WFHS Bus Ramp after practice.
