#### LIVE 2005

For the class of 2005, our time spent at Magazine Schools has been like a song, a song that we are creating ourselves—one all about us. We have had thirteen years of school with our friends and class—mates who have become like family. The years have come and gone, but, of the entire song, only a verse has been sung.

Our class created its own melody. Some days seemed off key, and others had perfect pitch. Well always remember the times we thought LIFE couldn't get any worse, and the times we thought LIFE couldn't

get any better

Our song as we know it will soon begin a new verse and a new rhy thm, but our school days will still be a

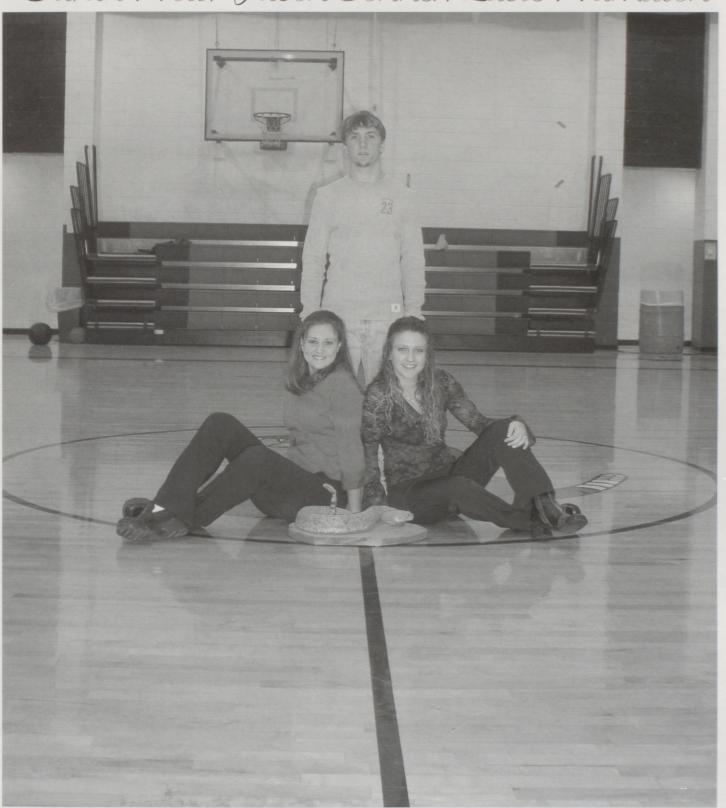

large part of our life song.

No, our song may not ever become famous or even leave the state, but our song will live. No matter how long, how short, how strong, or how weak our song becomes, the Class of 2005 will always remember our song and where it began. Our song will live for ever in our hearts.

To all the other classes, remember to enjoy every day of your life at school. It goes by so fast. Make your song a memory never to beforgot ten.

## My Flowers Kave Blossomed

My Beautiful Daughters Have Blossomed

They smiled and they laughed from the day they were born

Now they have blossomed into beautiful flowers

Not clouds nor rain or the hot Sun's scorn

Take away the beautiful smiles for many of hours

They see the end of Rainbows after day's early showers

Each exceptional in their own special way

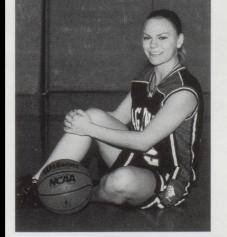

They bring happiness to all by the smiles they rife

I cherish them dearly so natural to say

Cause they are my Daughters the Light of my Life.

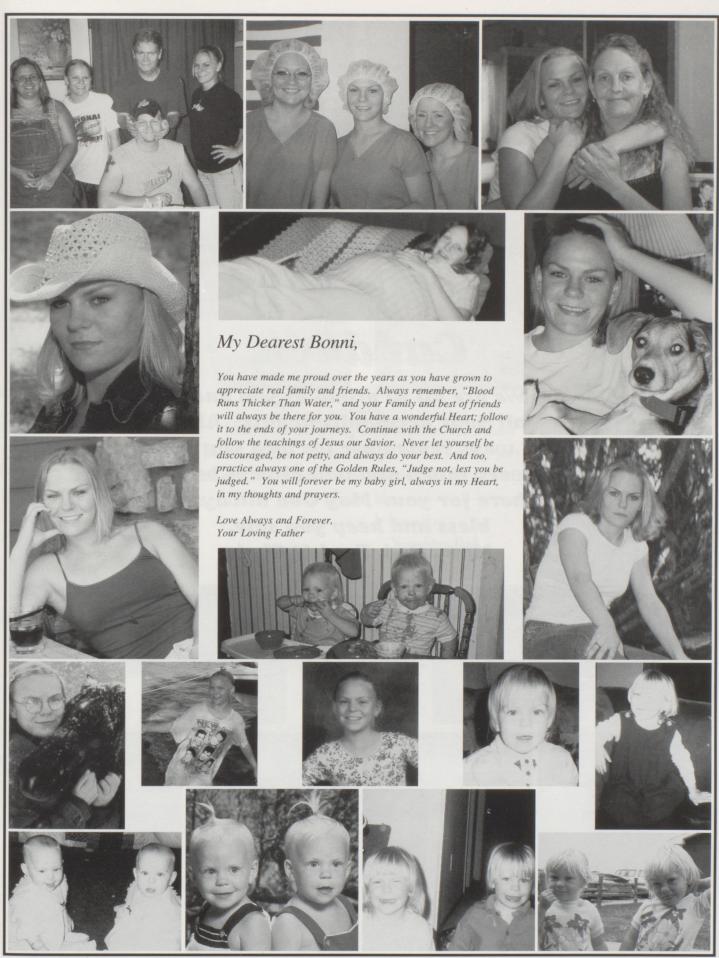

I Love You Forever and Always,

Dad

We are all so proud of you and all your accomplishments! Always remember we love you very much and will always be here for you. May God always bless and keep you safe.

Mom, Dad, Fred & Clyde

Kascey,

As your mom I wish you the best; as your friend I want to help you be your best. No matter what, I will always love you.

Love, Mom

I know we have only been together for a short peroid of time. I hope that you will let me be part of your life physically and emotionally. For the rest of your life.

I Love You. Your Step-Dad, Paul

### Noime,

Dezarae

We will never forget how proud and excited we were the day you were born and so very thankful to the Lord that he had blessed us with our first healthy, beautiful, and precious little "redheaded" granddaughter. We have enjoyed and loved watching you grow into the mature young lady you are today.

Remember to always trust the Lord to guide you in your decisions throughout your life and you will succeed.

Always remember how much we love you. Nana & Papa Gibson

Dezarae,

When we close our eyes, we can still see the beautiful little red-haired girl who stole our hearts. The little girl who was born on Bryan's birthday. The little girl who has grown into a beautiful young woman with Christian values, respect for your family, love of your country, and a compassion for others. We love you very much and wish only the best for your future!

Love always, Uncle Jim, Aunt Linda, Bryan, Lisa & Chase

Dezarae,
We are proud of all your accomplishments.
Congratulations,

Ryan. Since October 6. 2002. you have brought so much happiness and zillions of laughs into my life. 1 hope you never lose your will to succeed or the turnkle in your eyes when you laugh. I wish the very best for you.

Seldom does a small school get to enjoy the fruits of two such outstanding student athletes in the same school year. We take this space to honor the hard work, dedication, sacrifice, and heart that two of our finest have given to our school, teams, and community. They will be fondly remembered and sorely missed.

Congratulations and Best Wishes!

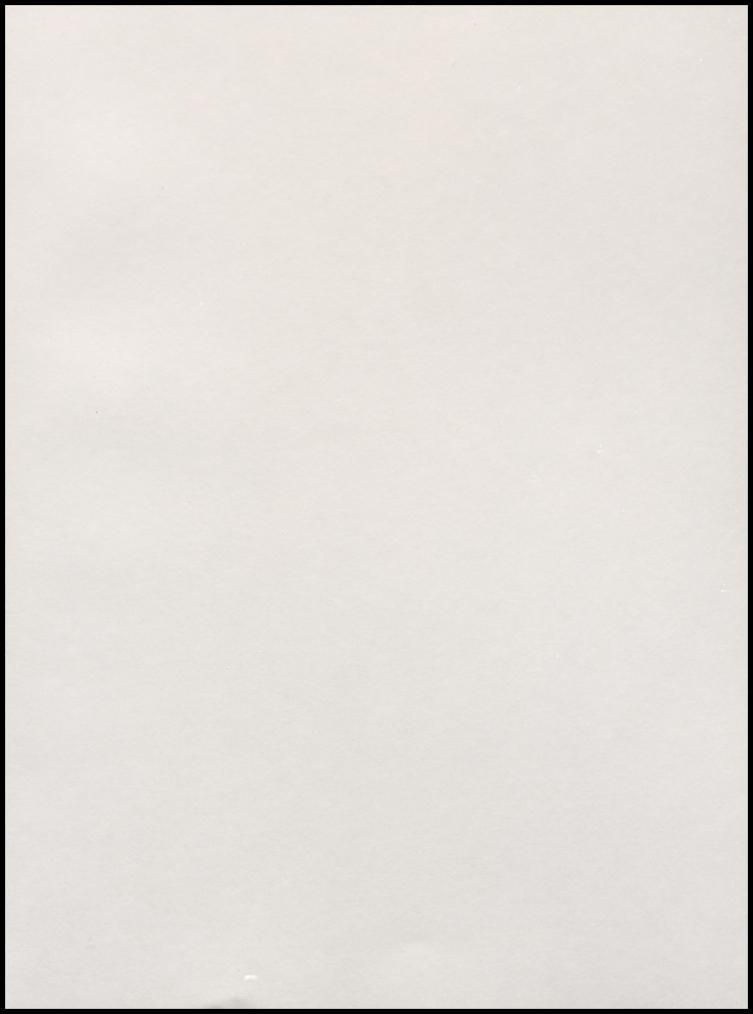

Two members of the Magazine School family retired at the end of last year. Mrs. Connie Dewitt will long be remembered by the many students who learned to read in her first grade classroom. Mrs. Betty Cameron's smiling face is missed in the cafeteria. We hope both of these ladies enjoy their well deserved retirement years.
