Opening

"I guess you had to be there..."

...something said during an awkward moment when you think something is hilarious, and people who were not there just don't seem to get it. That's what high school is all about. It's about the memories that you find hysterically funny, the same ones that make your parents roll their eyes. It's the pictures that make you want to laugh or cry that everyone else sees as just another photograph. Enjoy every moment of high school because one day it will be over and all you will be left with is "I guess you had to be there" memories.

Daniel Aydelott

Good, better, best,
never let it rest,
until your good is better
and your better is best.

James Black

Gary, you will eat your food and you will like it.

**Brett Allen
Chappell**

It's only when you're tested that
you truly discover who you are
and who you can be. The
person you want to be does
exist; somewhere in the midst of
things we find ourselves.

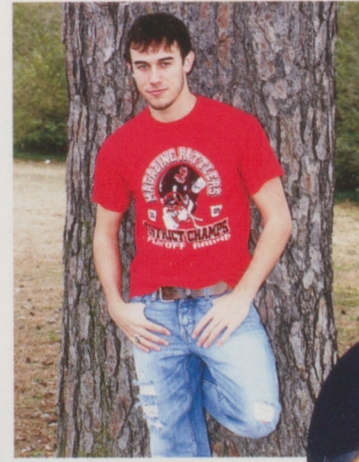

Jared Heath Clare

Jesus wasn't in the yearbook...
why do I hafta be?

**Michael Aaron
Corbitt**

Winners never quit, quitters
never win. My dad told me that
one time.

Joshua Dale Day

If you'll do it, I'll do it.

**David Allen
DeLay**

Each day is a gift: it's not a
given right. You never know
when life is going to end, so live
each moment like it's your last.

**Andrea Cheyenne
DeWitt**

Life may not be the party you
thought it would be, but you
might as well dance while you're
here.

Ryan Evans

When it comes to graduating
from high school, there is either
do, or do not. There is no try.

Drink your milk, eat your biscuits, and kiss your momma.

**Dalton Lee
Haller**

Good friends are like stars; you don't always see them, but you always know they're there.

**Nikkita Elizabeth
Helton**

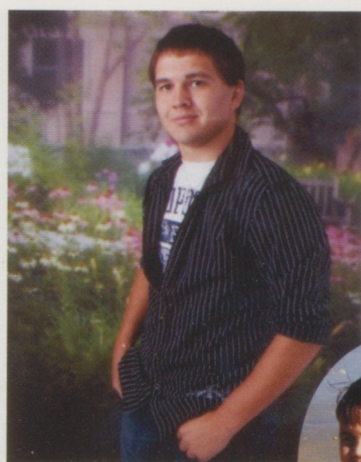

Love many, trust few, and always paddle your own canoe.

**Skyler Lea

New day, new hope, new joy.

**Lindsey Nicole

Just when I find the keys to success, someone goes and changes all the locks.

**Dakota Wayne

A cluttered desk is a cluttered mind, so what is an empty desk?

**Jericho R.

When you have eliminated the impossible, start eliminating the possible to find the answer!

**Clint Montana

Stressed spelled backwards is desserts. Coincidence? I think not!

**Whitney Y.

Life is what it is.

Aaron Morris

Zachary Lee Mott

Andy Chiaque Moua

Friendship is like wetting your pants. Everyone can see it, but only you can feel the warm feelings it brings.

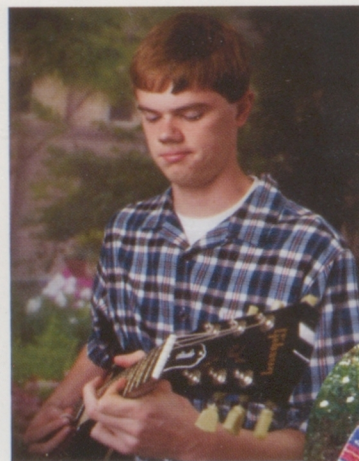

Cory R. Myers

Everyone is born to compete as he or she chooses, but how can someone win if winning means someone else loses.

John Zackery Nelson

You can only be young once, but you can always be immature.

**Mike Quain
"I.O.G."**

All you touch and all you see is all your life will ever be.

Thomas Allen Riddle

Flying is learning how to throw yourself at the ground and miss.

Ciara Rose Rieder

I always knew looking back on the tears would make me laugh, but I never knew that looking back on the laughs would make me cry.

Chris S. Rogers

Kimmy Renee Schulte

Live your life to the fullest; tomorrow is never promised.

**Valerie Christine
Simmons**

We could all take a lesson from crayons: Some are sharp, some are beautiful, some have weird names, and they're all different colors, but they all learn to live in the same box.

Angelic Lavern Smith

You see.... the thing is.... I did my homework.... but... I left it at home.

Joseph D. Thao

To be a winner, you must go through life the hard way, not the easy way.

Kara Nichole West

Never give up on something you want. You have to keep fighting and fighting to get it exactly the way you want it.

**Jonathan Ray
Williams**

Hey new kid.... BOO!!!

Fuying Yang

Any guy can sweep any girl off her feet, he just needs the right broom.

**Amanda Joycelon
Young**

Whatever you want in life, take it; in time your joy will shine on others. Be happy, because in the end people who matter won't mind, and people who mind won't matter.

A "Rattler's Prayer"

God give me the wisdom,
to tell a strike from a ball,
keep me always in the base line,
and never let me fall.

Let me always hustle,
so I'll do my very best,
and take pride in myself,
in sports and all the rest.

God be my strength,
so I'll never miss a base,
please guide my feet,
bring me home safe.

As long as I play,
let my family be proud,
as proud as I am
when they yell "Chappell" out loud.

However my games end,
just know that I've had fun,
and if Heaven has All-Stars,
then I'm sure to be one.

When my games are over,
and my seasons here are done,
let me play on your team Lord,
just like your son.

Amen

Brett

Daughter you are a blessing you see,
Sent from Heaven here to me.
The day you were born and put at my side,
Oh my heart so full of joy and pride.
As precious as a red rose,
Oh how you've blossomed in your heart and soul.
As rare as a snow white dove,
You see in every person what's there to love.
As beautiful as the angels when they sing,
You're faith in God means everything.
By the Master's Hands and amazing grace,
I'm Privileged that in my arms you were placed.
God Bless You,
Love You,
Mom

Andrea Cheyenne,
It has been said that "If you love something, set it free... If it comes back, it's yours, if it doesn't, it never was yours..." We have known since the day you were born that someday we would have to set you free but never imagined the time would come so quickly. Before you go there are some things that we hope you will always remember. Always look to God to guide you
Never give up on your dreams
Do the best that you can always
Remember that you have a family that loves you

...and We Were

From the strange inside jokes to the funny pictures that are better left unexplained, this year has been a lot of fun. We would really like to help you understand all that has happened this year, but a page in a yearbook could never tell the whole story. We've laughed and cried, and sung, and some of us occasionally danced. We worked hard and did the things no one thought we could. We complained and whined, but really enjoyed every minute here. Now that this year is over and we try to think of all the things that made this year special, all we can say is... I guess you had to be there.
