Congratulations Sis! Love, Dad & Glenda

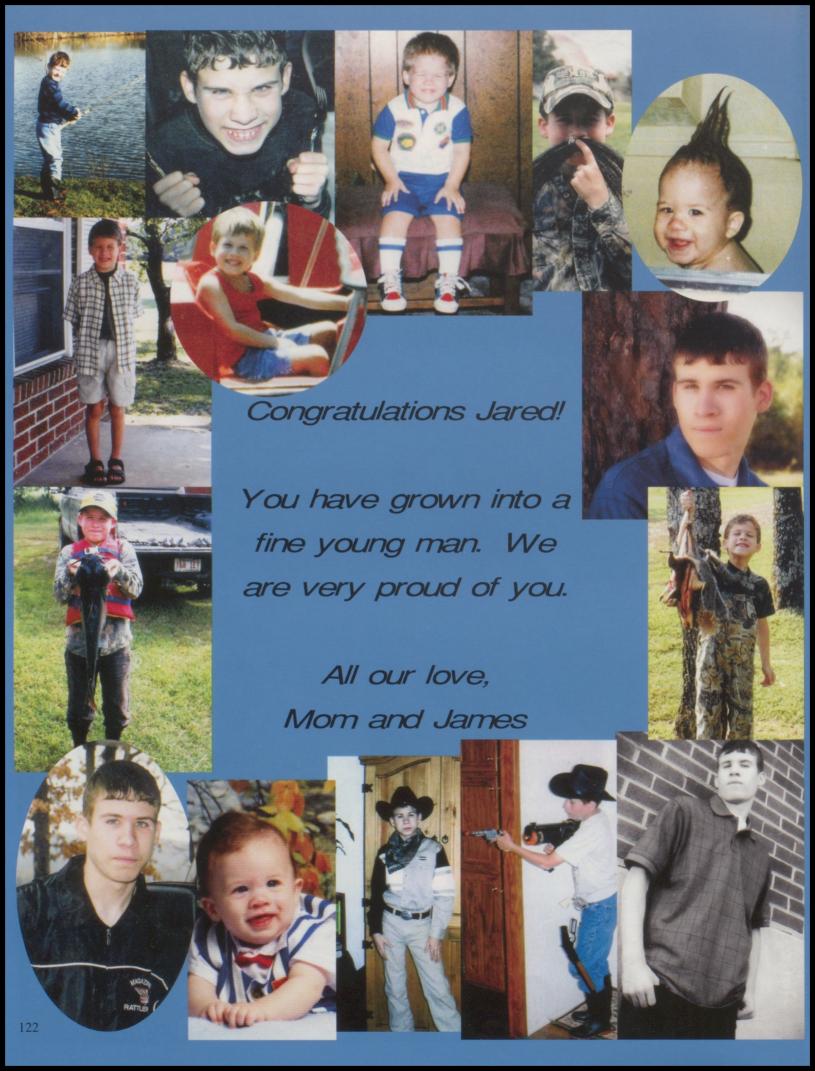

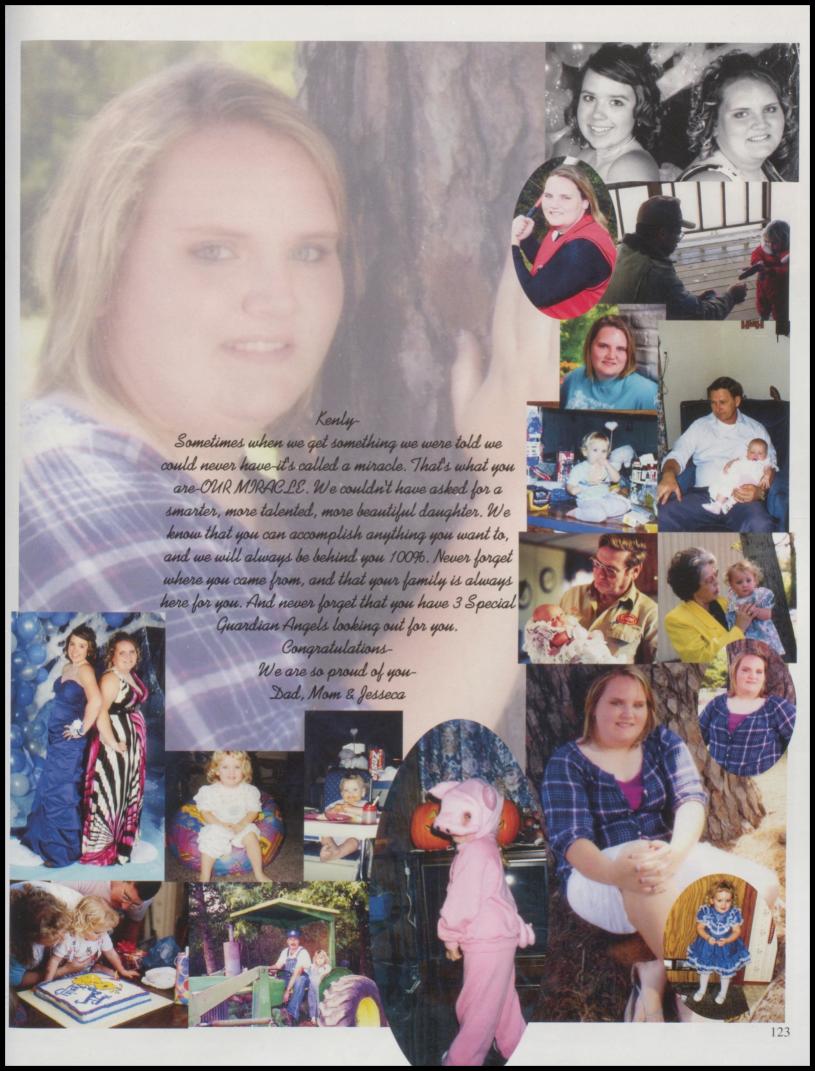

Dakota,

For 17 years we have had lots of tears and joys together. Through the joys of raising and caring for all of your dogs we have managed to do this together and even though I always knew we didn't need another dog when you said, "Mom can I have another dog." I always gave in.

When you decided to be in band I would go to all the home games just to see you play even though I froze most night I stayed until the end just to see you play. When you went on the away game I was always there to pick you up at midnight or whatever time you came in.

I stood by you through all these years of school and I want you to know that I wull always try to be there for you in whatever you decide to do after you graduate.

From all of us we want to say, "We Love You and Good Luck un the Future."

We were friends, we were athletes, we were members, we were unique. We are
