Facilities Committee Volunteer Form

RSU #1

The Board of Directors welcomes participation at committee meetings by community members, and all meetings are open to the public. For citizens who would like to be more involved, the Board may also appoint community members to serve on certain committees. Currently, the Board is looking for community members to join the Facilities Committee. The role of the Facilities Committee is to review the needs for space, to develop a long-range plan for facilities and capital needs, and to make recommendations to the Board. The committee will typically meet at 8:00 am once a month during the school year. If you are interested in serving on the Facilities Committee, please complete this form and submit it to RSU 1 Board of Directors, 34 Wing Farm Parkway, Bath, Maine 04530 or email to Veda Ferris at vferris@rsu1.org by Friday, September 15th. Board representatives of the Facilities Committee will make decisions about who will serve as community members by September 29th.
