

Join Grosse Ile High School on XLNTbrain

Grosse Ile High school has joined XLNTbrain in the fight against concussion injury in sports.

Concussion awareness education is mandated by State law for all athletes and their parents and/or guardians. This document outlines the steps requires for athletes, parents, and/or guardians to register at XLNTbrain.com.

The XLNTbrain passcode for Grosse Ile High School is GROSSEILEAHTLETICS2015

Athlete Registration

Go to XLNTbrain.com, click “Sign Up” and enter the passcode above, then click “submit” to begin your registration. Enter your student email address 2000XXXX@gischools.org (XXXX is your student number) and create a new password. Click on “join as an Athlete” after you complete your registration and then follow these steps:

1. View concussion awareness video and pass brief video quiz.
2. Update profile info and accept terms & conditions.
3. Manage your teams.
4. Take the XLNTbrain Baseline Test.

The XLNTbrain Baseline Test takes approximately 25 minutes and is important for your healthcare provider to use as a baseline to compare for your recovery. It is important for you to take the test seriously and be in an environment free of distractions as you test. If you perform poorly on the test, you may be asked to repeat the test under supervision.

XLNTbrain Baseline Test Quick Guide

Please sign into your account on the website. Once signed in, go to the Tests Tab on the left hand side. Or click the link near the top of your screen that asks if you want to take the test now. You will need Microsoft Silverlight installed and updated on your computer to run the test. The install for the test will not start or work if you do not have Microsoft Silverlight. Once Silverlight is installed and updated, please start the test either from the button on your dashboard or from the icon on your computer’s desktop.

Please keep in mind that the XLNT Cog test is for Athletes only.

If this is not your first year with us, it is also likely the test is already downloaded and installed on your computer. If the icon is not on your desktop still, please search your computer’s files for XLNT Brain Sport.

Guardian Registration

Go to XLNTbrain.com and enter the passcode above to begin your registration. Click “Join as a Guardian” after you complete your registration. With your first-time sign in, you will view a short concussion awareness video. After reviewing the video and passing a brief video quiz, you will need to add your athlete as a dependent. Then you will be able to access your athlete’s profile, where you may monitor the progress of your athlete within XLNTbrain.

To add a dependent, please look on the left hand side of your Dashboard you should see a tab called “Relationship”. Click on that tab and then click “Add Dependent”. You will need to enter your Athlete’s XLNTbrain ID in the box. If you enter your Athlete’s name it will not work. Your Athlete’s XLNT ID is listed on their account when they are logged on, in the upper right hand corner. It will look like this: XLNTbrain ID: ZWE2NDU4M, except with your Athlete’s ID of course. Once you enter your Athlete’s XLNT ID, click the Add Dependent button and that should like your accounts. You may need to refresh your page or log out of your dashboard and log back in to update the information your dashboard shows.

XLNTbrain Help

Click on the “Help” button at any time to ask for help. Please note this is not a Live Chat. However, a support representative will respond to your request as soon as possible.
