

Grosse ile families,

New for 2023-2024 school year students must be registered for bus service.

You must opt in for bus ridership by calling 734-362-2451, emailing transportation@gischools.org or coming into the transportation department at 7900 Grays dr.

This must be done by August 18th, 2023 to ensure transportation the first day of school. If you request transportation after August 18th, 2023 it will take up to 5 business days to be processed in the order it is received and the student is not guaranteed to be assigned to a bus.

You may request a different address than your home. The AM must be the same address every day. The PM must be the same address every day. This includes daycare and shared families.

No temporary or emergency rides will be allowed.

If the student does not ride for 5 consecutive days without contacting the transportation department, they will be removed from the route.

Please read the BUS TRANSPORTATION HANDBOOK on the gischools.org website.

We look forward to driving your student this school year,

Grosse ile/Trinity Transportation team
