Budget Definitions

DEFINITIONS

Ad Valorem Taxes: Taxes collected on the value of real property, both improved and unimproved private property is subject to ad valorem taxes. Cities in Oklahoma can only levy ad valorem taxes in order to pay the debt service on General Obligation Bonds and to satisfy any monetary damages assessed by a court.

Accounting System: The set of records and procedures, which are used to record, classify, and report information on the financial status and operations of an entity.

Accrual Basis Accounting: Under this accounting method, transactions are recognized when they occur, regardless of the timing of related cash receipts and disbursements. Enterprise funds of the City use this basis for accounting. See also Modified Accrual Basis.

Agency Funds: A fund used to account for assets held by a government on behalf of individuals, private organizations, other governments, or funds.

Annual Budget: A budget applicable to a single fiscal year.

Appropriation: An authorization made by the City Council that allows expenditures of governmental resources. Appropriations are typically granted for a one-year period only.

Assessed Valuation: The estimated value of real and personal property used by the Oklahoma County Assessor as the basis for levying property taxes for sinking fund purposes.

Beginning Fund Balance: The amount remaining after accounting for the previous year's revenues less the previous year's expenditures.

Budget: A plan of financial operations for a fiscal year, including an estimate of proposed expenditures for given purposes and the proposed means for financing;

Budget Amendment: The authorization of supplemental appropriations or a decrease or change in appropriations or funds as approved by the governing body;

Budget Calendar: The schedule of key dates that the City follows in the preparation and adoption of the budget.

Budget Message: A written explanation by the City Manager of the budget. The budget message explains principal budget and policy issues, and presents an overview of the City Manager's budget recommendation.

Budget Summary: A tabular listing of revenues by source and expenditures by fund and by department within each fund for the budget year.

Budget Year: The fiscal year for which a budget is prepared or being prepared.

CIP (Capital Improvement Program): This is a budget and planning process used by the City to determine what capital projects will be carried out during the next year.

Capital Assets: Assets of significant value and having a useful life of several years. Capital assets are also called fixed assets.

Capital Outlay: Expenditures that result in the acquisition or addition to fixed assets. Examples include land, buildings, machinery, equipment, and construction projects.

Chief Executive Officer: The City Manager serving as chief administrative officer as defined by applicable law, charter or ordinance;

Current Year: The year in which the budget is prepared and adopted, or the fiscal year immediately before the budget year;

Debt Service: Payment of interest and principal to holders of the City's debt instruments.

Debt Service Fund: A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Deficit: The excess of the liabilities, reserves, contributions and encumbrances of a fund over its assets as reflected by its book of accounts;

Department: A functional unit within a fund which carries on a specific activity, such as a fire department or a police department within a general fund;

Ending Fund Balance: The beginning fund balance plus current year revenues, less current year expenditures.

Encumbrances: The commitments to acquire goods or services and are used primarily for budgetary controls;

Estimate Revenue: The amount of revenues estimated to be received during the budget year in each fund for which a budget is prepared. Revenue includes any appropriated fund balance in the budget of revenues for a fund for the budget year.

Expenditures: Where accounts are kept on the accrual or modified accrual basis of accounting, expenditures are recognized when goods are received or services rendered. Where accounts are kept on a cash basis, expenditures are recognized only when the cash payments are made.

Fiscal Year: A 12-month period to which the annual operating budget applies and at the end of which a government determines its financial position and results of its operations.

Fixed Assets: Assets that are intended to be held or used for a long term, such as land, buildings, improvements other than buildings, machinery and equipment. Fixed assets are also called capital assets.

Fund: An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and/or other financial resources, together with all liabilities, obligations, reserves, and equities which are segregated for the purpose of carrying on specific activities or attaining certain objectives.

Fund Balance: The excess of the assets of a fund's assets over its liabilities, reserves, contributions and encumbrances, as reflected by its books of account.

General Obligation Bonds: Bonds for which the full faith and credit of the insuring government are pledged for payment.

Governing Body: The City Council of a City or the Board of Trustees of a Utility Authority of a municipality as it may be defined by applicable law or charter provisions.

Immediate Prior Fiscal Year: The fiscal year before the current fiscal year.

Improvements: Buildings, structures, or attachments to land such as sidewalks, trees, drives, tunnels, drains, and sewers.

Interfund Transfers: Expenditures made to other City funds for services rendered.

Intergovernmental Services: Purchases from other governments of those specialized services typically performed by local governments.

Interlocal Agreement: A contract between two government entities whereby one government assumes the lead responsibility of a project that overlaps both jurisdictions.

Internal Service Fund: Funds used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the City.

Level of Service (LOS): A level of service for functional areas (Parks, Fire, Police, Utilities, and Transportation). Examples of level of service might be: one police officer per 1000 population, a fire or emergency response time of no greater than five minutes, or one acre of community park per 1000 population. The level of service are defined by the City Council and become the basis for the Capital Facilities Plan. The City's inability to meet its designated level of service will bar further development until the deficiency is removed, or the level of service is redefined.

Lease-Purchase Agreements: Contractual agreements which are termed "leases," but which in substance amount to purchase contracts.

Levy: To impose ad valorem taxes, special assessments, or service charges for the support of governmental activities.

Materials and Supplies: An expenditure classification for articles and commodities purchased for consumption or resale. Examples include office and operating supplies, fuel, power, water, gas, inventory, resale items, small tools, and equipment.

Modified Accrual Basis: Under this accounting method, revenues are recognized when they become both measurable and available to finance expenditures of the current period. Expenditures for the most part are recognized when the related fund liability is incurred except for prepayments, accumulated employee leave, and long-term debt. All governmental funds and expendable trust funds are accounted for using the modified accrual basis of accounting. See also Accrual Basis Accounting.

Municipality: An incorporated city or town.

Object: An expenditure classification, which refers to the type of item purchased, or the service obtained. Examples include personnel services, contractual services, materials, and supplies.

Operating Budget: The operating budget is the primary means by which most of the acquisition, spending, and service delivery activities of a government are controlled. Law requires the use of annual operating budgets.

Operating Reserve: That portion of the fund balance which has not been appropriated in a budget year.

Operating Transfer: Routine or recurring transfers of assets between funds, which support the normal operations of the recipient fund.

Other Services and Charges: An expenditure classification which includes professional services, communication, travel, advertising, rentals, leases, insurance, public utility services, and repairs and maintenance.

Personal Services: Those benefits paid by the City as conditions of employment. Examples include salaries and retirement benefits.

Personnel Benefits: Those benefits paid by the City as conditions of employment. Examples include healthcare insurance, unemployment and worker compensation benefits.

Reserve: An account used to indicate that a portion of fund equity is legally restricted for a specific purpose.

Resources: Total dollars available for appropriation including estimated revenues, interfund transfers, and the beginning fund balance.

Revenue: Income received by the City to support community services. This income may be in the form of taxes, fees, user charges, grants, fines, and interest.

Revenue Estimate: A formal estimate of how much revenue will be earned from a specific revenue source for some future period, typically, a fiscal year.

Supplemental Appropriation: An appropriation approved by the City Council after the initial budget is adopted for the amount of additional revenues which are available for current expenses for the fund.

Taxes: Compulsory charges levied by a government for the purpose of financing services performed for the common benefit.

Tax Increment Financing (TIF) District: An economic development tool that allows ad valorem and sales taxes collected before the formation of the District to continue to flow to the participating taxing entities. The tax revenues that increase following the creation of the District are collected by the District to build public improvements to further enhance the attractiveness of the District to retail or industrial development.
