

NOTICE OF NON-DISCRIMINATION

The Gilchrist County School District does not discriminate on the basis of race, color, national origin, gender, age, disability, marital status or genetic information in its educational programs, services or activities, or in its hiring or employment practices. The district also provides equal access to its facilities to the

Boy Scouts and other patriotic youth groups, as required by the Boys Scout of America Equal Access Act. Questions, complaints, or requests for additional information regarding discrimination or harassment may be sent to:

Name and/or Title: Darby Allen, Equity Officer
Office Address: 310 NW 11th Avenue / Trenton, Florida 32693
Phone Number (Voice/TDD): (352) 463-3200
E-mail: allend@mygcsd.org

In addition, the Gilchrist County School District offers a variety of career and technical education programs described here, including career academies wherein students may earn industry certifications.

The district prohibits discrimination in the terms and conditions of employment, and in access to educational programs and activities, and prohibits harassment of any individual or group on the basis of race, color, national origin, religion, sex, age, disability, marital status, sexual orientation or genetic information (and other protected classes included in the district's nondiscrimination policies).

Lack of English language skills will not be a barrier to admission and participation. The district may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referrals to better prepare students for successful participation.

DIGITAL DESIGN

TRENTON HIGH SCHOOL

DESIGNING THE FUTURE!

WHY SIGN UP?

The Digital Design program is designed to prepare students with computer skills, digital publishing and digital imaging. Our program will provide information regarding careers in Audio and Video Technology and Film Technology.

Content will include a basic overview of current business and information systems and trends, and the use of software and equipment to create multimedia presentations. We prepare students with the fundamental skills necessary for today's society.
