Driver Education Classroom

Successful completion of the classroom consists of passing 18 objectives based on classroom presentations, the textbook "Drive Right", and the Kansas Driver's Handbook. All objectives except Objective 7, must be completed with at least 80% correct. Objective 7 must be completed with 100%. The Kansas Driver's Handbook objective must be completed before the application for the Driver Education Permit is submitted and must be passed with at least 80%.

Behind-The-Wheel

During the first week of classroom, students will be assigned a week of behind-the-wheel time. Each student will drive for approximately 6-8 hours during their assigned week. Students must complete 35 behind-the-wheel objectives without coaching or help to successfully complete the driving portion of class. If the student doesn't complete the behind-the-wheel objectives in their assigned week, additional time will be scheduled up to a total of 12 hours.

Class and Driving Schedule

- Class dates and times can be found on this information sheet
- Behind-the-wheel schedules will be announced the first week of class
- ***Students MUST turn 14 with in few days of the beginning of class.***
