

Sioux Falls Walk to End Epilepsy
Saturday, June 22, 2019 – Great Life Performance Center
5901 S. Southeastern Ave.
Registration begins at 8am – walk starts at 9

Join us for the first annual South Dakota Walk to End Epilepsy. Corporate and family teams, along with individual walkers, will enjoy a fun and picturesque walk starting and ending at Great Life Performance Center. We'll enjoy great food, live entertainment, bounce houses and face painting for the kids, and lot of camaraderie as we stroll for a cause. One out of every 26 people struggle with epilepsy, so everyone knows someone who will benefit from this fundraising event.

To register a corporate or family team, or to sign up as an individual walker, go to:

www.WalktoEndEpilepsy.org/SiouxFalls
