### Bike Safety and Bike Rodeo

Students in grades K-3 will participate in a bike safety presentation on May 9. The presentation will include some bike helmet give away for selected students. The bike rodeo will take place on May 4 in Beaver Creek at 1:00.

### Summer Swimming Lessons

Information for summer swimming lessons was sent home with students today. Lessons will be from June 17-27. There is also a copy attached to this newsletter. The information also includes bussing options for lessons.

### Roofing Construction Project

Construction began on the roofing project at the elementary school over the past week. The first step of removing the rocks has been completed. With the construction there may be extra vehicles and equipment on the elementary campus. Please be mindful of the construction process and extra traffic when you are dropping off or picking up. Workers will be doing most of the work outside of the building, but students will be aware of the project. The project is anticipated to last about 4-6 weeks.

### MCA Testing

MCA testing in reading and math has concluded. Any students that have not completed the test will be making them up next week. 5<sup>th</sup> grade students will also be taking the Science MCA test on Wednesday, May 1.

### School Evacuation Drill

Along with our training in lock downs and emergency situations we are planning a full school evacuation. Students and staff will participate in the evacuation and walk to our designated rally point. The drill will take place on May 7.
