

CONCLUDING BUSINESS OF THE 2015-2016 BOARD

Minutes. Since the board did not meet in late June, it is recommended that the 2015-16 board convene to approve the minutes for June.

Tabled Items. Additionally, in the event that any items were tabled in 2015-16 for an unspecified period of time, those items must be lifted from the table at this time; otherwise, they die with the adjournment of the 2015-16 board. A review of the minutes of 2015-16 did not reveal items that have been tabled without final action.

RECOMMENDED ACTION:

Motion to approve the minutes of the June 13, 2016 regular meeting as presented.

Being there is no further business before the 2015-2016 board of education, the president may declare it adjourned.
