# **Facilities**

- The door to the preschool is off balance and sticks
- The windows to the 1959 classrooms did not get replaced. Jon was notified that it would need to be rescheduled.
- The leaks we have seen at the grade school are in the middle school. The rain water comes in underneath the windows.
- · Very warm in the cafeteria
- Doors left unlocked and 3 students entered after 5:00 pm on Friday, August 26<sup>th</sup>. Jon notified the police and dealt with the students. The students opened up unlocked lockers and took contents and left it in the hallway or on benches in the courtyard area.

# Adopt a School

The Meet and Greet was held on August 25<sup>th</sup> at the Ogden Community Center. The grade school unit is 1-6 Cavalry Squadron. We met with the soldiers and discussed ways to bridge the grade school with the unit. This partnership has been in place for at least 8 years if not more. Area schools in the Central Flint Hills Region all signed a compact with Ft. Riley that promotes this partnership. I hope this year is more productive than the last three years; however, this unit is being deployed in February.

Grade school old science books have been discarded.

# Riley County Schools USD 378 Board of Education Meeting September 12, 2016 Superintendent's Report

DATE: 08/29/16

- Board member "thank you"- a special thanks to Kyle Bohnenblust and Kerry Thurlow for representing the board at the staff kickoff meeting on Wednesday, August 17<sup>th</sup>. Kyle did a great job of expressing the board's appreciation for the efforts put forth by the staff. I know the staff appreciated the board's presence at the meeting!
- 2. Annual Staff Kickoff Meeting—we had a great kickoff meeting with our guest speaker Mr. Marvin Kohlmeier. We also completed all the state mandate trainings for the whole staff on:
  - a. Bloodborne pathogen by Konnie Evans and Maggie Haag
  - b. Suicide Prevention by Samantha Kriley and Kristin Blecha
  - c. ESI Seclusion/Restraint Training by Meri Miller-Kahle
- Auditor training- Sandy Glessner, Accounts Payable Clerk and I had a training session with our auditor on August 22, 2016.
   Our goal is to continue to build partnerships with them to improve our procedures and practices by collaborating throughout the year. Eric Kientz, Varney and Associates, was our trainer.
  - a. Sandy and I will also make a short presentation on the checks and balances worksheet used each month with our bills.
- 4. Thank you- I will have a thank you for the board to sign to recognize the efforts of Dr. Brian Jordan, KASB trainer, at the board retreat. I think Dr. Jordan got the board off to a good start on our process of developing goals for the district.
- 5. Board training- as a member of the KASB organization the board can attend various trainings. There are also various trainings throughout the state. If the board is interesting in attending any workshops, please visit with our board clerk.
- 6. Out of district student requests- I continue to field questions on whether the board will revisit its position on allowing new out of district students to attend our district. Currently, I have told them that we are not allowing new students to attend. I did tell them that they could right the board a letter expressing their intentions to want their student (s) to join our school family. The principals have informed me that they have taken numerous requests as well.
- 7. SB 22- KASB has clarified the recently passed opinion on the usage of personal technology devices to communicate 'board business' between elected officials because of the Kansas Open Meetings Act (KOMA). Officials are reminded to not use the 'reply to all' button if communication is sent to the group as a whole. The superintendent and board clerk are not subject to the KOMA regulations.
- 8. Board Packet format- as discussed at the last meeting, I plan to provide some 'coaching' on the format. Below, are a few statements of clarity:
  - A. Delivery of packet- the packet will be sent to board members approximately 1 week in advance of the scheduled meeting. The goal of this practice is to give members the opportunity to review the contents with the superintendent throughout the week. I want to help ensure board members can make informed decisions.
  - B. Consent Agenda: the consent agenda will be used to gather approval from the board on operational type items and/or items discussed at previous meetings. The board is asked to trust the administrations recommendations based off the guarantee of following the board's policies. Please note that additional information will be placed throughout the packet to effectively inform the board of recommendations. It will also be colored to bring special attention to the action with the approval of the agenda and consent agenda at the beginning of each meeting.
  - C. Business items and reports- it has been proposed to add specific connections to the board's goals behind each Business items and reports. Below, is an example of what I used at another district.
    - (ie- Contracts/Approvals/Appointments. Items requiring board action will be shared with the board. Titems on consent agenda) (EL 7, EL 8, EL 9, EL 10)

# **BOARD OF EDUCATION TOPICS**

I. Board Goals- as the board is aware the retreat on August 22<sup>nd</sup> was very productive. Below, is a copy of the work that was completed by the board with Dr. Jordan from KASB, Teresa Grant, Harold Oliver and Cliff Williams. While this was a lot of work, we need to continue to discuss 'What skillset will our students have when leaving Riley County Schools?' I encourage the board to continue the momentum and answer the questions below.

At the meeting the board will be asked to continue to make progress on developing short and long term goals. I think it will beneficial for the board to determine a few specifics at the meeting. Please see the questions/thoughts listed below that will act as our guide at the meeting.

- a. Determine what other data sources need to be used to guide the development of goals (ie- feedback from students, staff, parents, community, etc)
- b. Review the current mission statement. Do they address the skillset kids need before leaving Riley County Schools?
- c. Review the current vision statement. Does everyone in our district know it and believe in it?
- d. Develop an action plan of what the board wishes to accomplish throughout the 2016-17 school year and beyond.
- e. Determine what resources will be needed to accomplish the goals on the action plan.
- f. Determine what student success looks like in our district.

## CONTRACTS/APPROVALS/APPOINTMENTS

Approval and/or updates to a variety of contracts and projects are identified below.

- 1. MS Banners Donation- Mr. Willmon has recommended the board accept two donations to purchase MS sports teams banner for the RCHS South gym. Mr. Willmon thought this would be an appropriate location since the middle school teams play in this gym. The Blue Crew and Jason and Lynnette Brummett have each donated \$736 to pay for the \$1472 expense. The funds will purchase four total banners. The banners will be similar to those in the north gym. I support the recommendation.
- 1. **Dial a Down Donation-** Mr. Willmon has recommended the board accept a donation of \$350 towards the purchase of a new 'Dial a Down' marker for the football program. The marker shows what 'down' the offensive team is on along the sidelines. We are mandated to have a marker showing downs 1-4 at all football events. Our current dial a down markers are beyond repair. A new marker cost \$569. The district will pick up the difference of \$219. I support the recommendation.
- Board Policy- During the 2016 Legislative session the body developed a new statue call SB 367. Under this statute school districts must develop a memorandum of understanding (MOU) with relevant stakeholders, including local law enforcement agencies, courts, and the county or district attorney. The MOU is clearly state guidelines for how and when school based behaviors are referred to law enforcement.
  - The administrative team will begin working with these agencies to develop this MOU. Attached the board will find an example MOU from KASB. I wanted to give the board time to review the suggested policy. It will be our goal to bring a recommendation to the board at the October or November board meeting.
- 4. Potential Purchases- the board and superintendent need to discuss the perimeters on purchases. Per statute the district is allowed to make purchases under \$20,000 without going out to bid. While one could interpret this as the limitation set for purchases. I wish to gather clarification on the perimeters the board wishes the superintendent to give them notification. For example, we have two purchases below that are needed and budget authority has already been given. Yet, I wish to have the board's blessing before purchasing. On the flip side, there are times when a purchase may need to be made to act on an emergency, an abbreviated timeline, substantial discount etc. Then it would be beneficial to know the limit and action could be taken. In the end, all purchases must be approved via the 'bills list'.
  - a. Chrome books and cart purchase- RCHS has run into a scheduling challenge with the existing computer labs and chrome book carts. Many of the staff are using the tools for class. However, there are not enough tools to meet every teacher's needs. Therefore, Mr. Oliver and Mr. Webber are recommending the purchase of 24 chromebooks, 24 management licenses for the books, and 1 cart to meet the need. The total purchase cost \$8272. We have the funds budgeted. I support the recommendation.
  - b. Roof repairs- the district has budgeted \$92,000 in capital outlay to address roof repairs on our facilities. We have received an proposal for \$12,250 to repair all the roofs at RCHS. See the scope of work on (attachment contracts #1). Mr. Peters and I recommend we make the repairs.
- 5. District Policies- Annually, the district receives recommendations from Kansas Association of School Boards (KASB) on policy changes based off legislative action and/or court cases. Last month, the board tabled policy FC (Memorials, Funerals, and Name of District Facilities). The board asked the staff to research if we have any current memorials or facilities named on behalf of Individuals (see attachment Approval #1). We have included the list within this section of the board packet. (It labeled as Approval #2). In the end, the board will be asked to make a motion to approve the recommendation as presented by KASB.

Requirements under 2016 SB 367 include developing and approving a memorandum of understanding (Memorandum) developed in collaboration with relevant stakeholders, including local law enforcement agencies, courts, and the county or district attorney. This Memorandum must establish clear guidelines for how and when school-based behaviors are referred to law enforcement or the juvenile justice system. The goal of the Memorandum is to reduce these referrals and to protect public safety.

To assist you in the creation of this Memorandum, the Kansas Association of School Boards (KASB) and the Kansas State Department of Education (KSDE) worked collaboratively to create the attached instructions and sample Memorandum. We encourage you to use the sample Memorandum that we have created, but you are not required to. If you do not use the sample Memorandum you must draft your own Memorandum that conforms with the requirements of K.S.A. 2016 Supp. 72-89b03(i). # Sample Memorandum of Understanding Instructions

This document is designed to support your school district in complying with the requirements under K.S.A. 2016 Supp. 72-89b03(i). These requirements include developing and approving a memorandum of understanding (Memorandum) developed in collaboration with relevant stakeholders, including local law enforcement agencies, courts, and the county or district attorney. This Memorandum must establish clear guidelines for how and when school-based behaviors are referred to law enforcement or the juvenile justice system. The goal of the Memorandum is to reduce these referrals and to protect public safety.

To assist you in the creation of this Memorandum, the Kansas Association of School Boards (KASB) and the Kansas State Department of Education (KSDE) worked collaboratively to create these instructions and the accompanying sample Memorandum. We encourage you to use the sample Memorandum that we have created, but you are not required to. If you do not use the sample Memorandum you must draft your own Memorandum that conforms with the requirements of K.S.A. 2016 Supp. 72-89b03(i). Your district's Memorandum must be developed and approved by July 1, 2017.

The sample Memorandum also contains some issues that school districts are required by law to report to local law enforcement or requires certain local stakeholders to cooperate and work together. School districts may want to review these requirements and discuss them as part of the Memorandum. School districts are also welcome to delete them, if they would prefer not to review any of these items as part of the Memorandum. These issues are included in sections IV–VIII of the sample Memorandum.

#### Identify the Relevant Stakeholders and Organize a Meeting

- ☐ The superintendent or the superintendent's designee will identify all relevant local stakeholders to this process. Relevant stakeholders must include, at a minimum, representatives from all local law enforcement agencies, courts, and the county or district attorney. Other relevant stakeholders would be any community organizations involved in law enforcement or juvenile justice.
- ☐ Once the relevant stakeholders have been identified, invite those stakeholders to a meeting to discuss this Memorandum. The school district is responsible for coordinating this meeting. Find a meeting time and place where representatives of all required stakeholder organizations can be present.
- ☐ When inviting stakeholders, explain the purpose of the meeting and to provide a copy of the sample Memorandum in advance so that the stakeholders understand the intent of the meeting.

Hold a	Meeting (or Meetings) to Develop and Approve a Memorandum of Understanding
	Use the sample Memorandum to guide your discussion on establishing clear guidelines for how and when school-based behaviors will be referred to law enforcement or the juvenile justice system. Focus on your goal of reducing such referrals and protecting public safety.
	On page 1 fill in the names of all relevant stakeholder organizations, as directed. If stakeholders other than those required attend this meeting, create a new section to record the names of those stakeholder organizations.
	In section I. A. fill in the names of the organizations that will be bound by the Memorandum. Those bound by the Memorandum must include, at a minimum, representatives from the school district, all local law enforcement agencies, courts, and the county or district attorney.
	In section III. B. fill in the information, as directed, to reflect what occurs in this situation in your community.
	Sections IV–VIII are not required to be included in the Memorandum required by K.S.A. 2016 Supp. 72-89b03(i). However, these are issues that school districts are required by law to report to local law enforcement or requires certain local stakeholders to cooperate and work together. The school district may want to review these requirements and discuss them as part of the Memorandum or delete them, if the school district would prefer not to review any of these items as part of this Memorandum.
	All parties to the Memorandum should sign the Memorandum where indicated. Those parties must include, at a minimum, representatives from the school district, all local law enforcement agencies, courts, and the county or district attorney.
Meetir	ngs Following Approval of the Memorandum
	The superintendent or superintendent's designee will work with all parties to the Memorandum to create a schedule of monthly or regular meetings in the first year following the approval of the Memorandum.
	After the first year following the approval of the Memorandum the parties will meet when all parties deem necessary.
	The district will host and staff all meetings following approval of the Memorandum.
Modify	ring or Terminating the Memorandum
	The Memorandum may be modified at any time by written amendment by all parties to the Memorandum.
	The Memorandum is terminated the day written termination is provided to all parties. In the event this Memorandum is terminated, the superintendent or superintendent's designee should organize a meeting of all relevant stakeholders to develop and approve a new Memorandum of Understanding that meets the requirements of K.S.A. 2016 Supp. 72-89b03(i).
Inform	Relevant District Staff
	The superintendent or the superintendent's designee should inform all relevant district staff of the contents of the Memorandum and their specific responsibilities under the Memorandum.
	Identify the district procedure for staff to notify the superintendent or the superintendent's designee of incidents where staff believe the Memorandum was violated.
	The superintendent or the superintendent's designee should determine what information regarding the Memorandum, if any, is necessary to provide to the local board of education and families.

ENFORCEMENT AGENCIES, COURTS, AND THE COUNTY OR DISTRICT ATTORNEY'S OFFICE]

#### l. PURPOSE OF MEMORANDUM OF UNDERSTANDING

- A. This Memorandum of Understanding ("Memorandum") is entered into between the [insert name and number of school district] ("School District"), the [insert names of all parties pursuant to K.S.A. 72-89b03(i). Parties must include, at a minimum, all local law enforcement agencies, courts, and the county or district attorney's office.] The purpose of this Memorandum is to establish understanding between community agencies ("Parties") involved in the referral of school-based behaviors to law enforcement or the juvenile justice system. The goal of this Memorandum is to reduce such referrals and protect public safety. The Parties understand and agree that each party will use its best efforts to comply with the terms and conditions of this Memorandum.
- B. The Parties acknowledge and agree that decisions affecting the filing of a complaint against a student and whether to restrain a student and place a student in secure detention should not be taken lightly. This Memorandum delineates the responsibilities of each party when school districts are required to report student behavior under Kansas law and when schools need the assistance of local law enforcement and the district and county attorney to protect the safety of all students or an individual student to promote the best interests of the student and the community.
- C. The Parties further acknowledge that avoiding formal arrest, handcuffing, and transporting the student to juvenile intake may help the student avoid being negatively labeled.
- D. The Parties acknowledge and agree that this Memorandum is a cooperative effort among the public agencies named herein to establish guidelines for the referral of school-based behaviors to law enforcement or the juvenile justice system with the goal of reducing such referrals and protecting public safety. The Parties further acknowledge and agree that the guidelines contained herein are intended to establish uniformity in the referral of school-based behaviors to law enforcement or the juvenile justice system while simultaneously ensuring that each case is addressed on an individual basis to promote a response proportional to the various and differing facts which affect each student's case.
- E. The Parties acknowledge and agree that the matter in which each student incident is handled by the law enforcement officer, school principal or designee, and/or juvenile intake is dependent upon the many factors unique to each student that include, but are not limited to, the student's background, present circumstances, general demeanor and disposition toward others, student discipline record, mental health status, the student's individualized education program, crisis plan, behavior intervention plan, criminal record, and other factors. Therefore, the Parties acknowledge that students involved in the same

7-17

incident or similar incidents may receive different and varying responses depending on the specific facts relating to the student's behavior and the above factors.

- F. The Parties acknowledge and agree that when responding to a disturbance at a school district location, the law enforcement officers will inquire whether the school involved has exhausted the district's conflict resolution alternatives before making an arrest(s) or removing the student unless a greater public safety concern exists.
- G. The Parties agree that a cooperative effort will be made to coordinate intake services to insure that students who do not meet criteria for placement in secure detention or present a high risk to re-offend are not detained and instead are appropriately placed with parent(s), guardian(s) or in another appropriate setting.

- Emergency Safety Interventions shall be used only when a student presents a
  reasonable and immediate danger of physical harm to such student or others
  with the present ability to affect such physical harm. Violent action that is
  destructive of property may necessitate the use of an Emergency Safety

- B. The Parties agree that the school district's contacting law enforcement regarding violent acts of students that results in the destruction of property and/or presents a reasonable and immediate danger of physical harm to such student or others with the present ability to effect such physical harm could be improved as follows:

- B. The Parties agree that the required reporting of child abuse could be improved by the following:

[Discuss and list any changes that would improve the local procedures for reporting to law enforcement]

### IX. DURATION AND MODIFICATION OF THE MEMORANDUM OF UNDERSTANDING

- A. This Memorandum shall become effective immediately upon its execution by all Parties hereto and shall remain in full force and effect until such a time as terminated in writing by any party to this Memorandum.
