

District Description

Raymond Central is a consolidated public school district incorporating the communities of Davey, Raymond, Agnew, Ceresco and Valparaiso. In 2017, a new preschool program was added to the Jr-Sr High campus. At the same time, the 6th grade transition program moved into new classrooms adjacent to the preschool. Elementary K-5 centers are located in both Ceresco and Valparaiso. Grades 7-12 attend a traditional Jr-Sr High that meets the varied needs of a wide range of students. All facilities have been updated allowing award-winning programs, high quality academic instruction, innovative teaching and one-to-one technology integration.

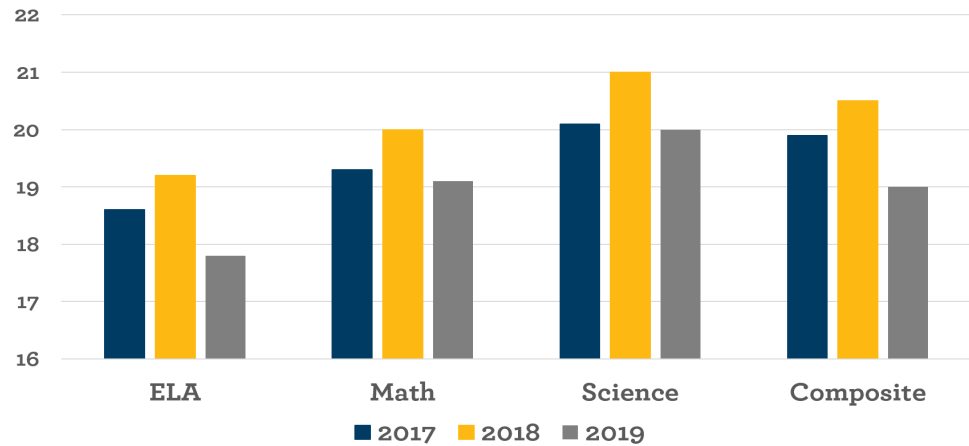

School Improvement Plan

Intervention (1): Raymond Central is committed to working together to achieve our collective purpose of learning for all students through PLCs.
 Intervention (2): Teachers will use lesson design, GANAG as the district instructional framework.
 Intervention (3): The School Improvement Team will work to develop meaningful, personalized professional development opportunities targeting individual and team growth.
 Intervention (4): Raymond Central will develop a Multi-Tiered System of Support for both academic and behavioral for all students. Positive Behavioral Intervention and Supports will be implemented to provide a system of prevention, noting early identification and intervention.

Raymond Central Vision 2025

- Goal 1 - Increase the number of students that meet or exceed normal growth rates
- Goal 2 - Research and implement strategies to recruit, hire, develop, support, and retain the highest quality staff
- Goal 3 - Increase student enrollment
- Goal 4 - Maintain and improve current facilities
- Goal 5 - Technology
- Goal 6 - Staff professional development
- Goal 7 - Mental health action plan
- Goal 8 - Ensure all students learn in a safe environment
