## ***2022 Do the Right Thing Award***

BobbiJo Nuttall was a recipient of the 2022 Do the Right Thing Award!

This award is given to children by the Livingston County Sheriff's Department for their positive behavior, accomplishments, and good deeds. This program is designed to recognize students who strive to make good choices, do well in school, give back to their communities, and/or demonstrate a "turn-around" or improved behavior.

BobbiJo was nominated by Deputy Butterbrodt and here is what he had to say: "BobbiJo Nuttall is deserving of this award for many reasons. BobbiJo is the first one to greet everyone walking into school every day. It's rare to see BobbiJo without a smile on her face. BobbiJo has perfect attendance, she's always on time and prepared for class. BobbiJo encourages other students to do well and do the right thing. No matter the obstacles, nothing is too big for BobbiJo. BobbiJo's positive attitude, her commitment to school and being an overall great student makes her the perfect choice for this award. On behalf of the Livingston County Sheriff's Office, congratulations, BobbiJo and keep up the great work!"

# Mount Morris Central School District

30 Bonadonna Avenue ♦ Mount Morris, NY 14510

*From Greg Bump, District Superintendent*

Mount Morris has a history of producing students who have gone on to become leaders in their communities. For decades, the District has participated in a number of state and national leadership programs. These highly selective and competitive programs allow our students to develop and refine leadership skills on a bigger stage. Below are descriptions of some of the leadership opportunities offered to our students.

**Boys' and Girls' State:** The American Legion and the American Legion Auxiliary are two of the oldest and most respected leadership programs in the nation and are the sponsors of these programs. Their prestigious programs select students who are going into their junior year to serve as delegates and attend a state convention. Our student delegates participate directly in the democratic process and learn how our republic form of government works at the state and national levels. The state convention is held on a college campus and delegates spend a week representing their home communities as part of an immersive learning experience.

**Hugh O'Brian Youth Leadership (HOBY):** This organization is dedicated to "training and nurturing the young leaders of tomorrow." Its mission is to provide a leadership development opportunity that empowers youth to achieve their highest potential and gain knowledge of leadership skills. This weeklong summer program is designed to assist talented high school sophomores in being effective and ethical leaders in their home, school, workplace and community. Students attend seminars and participate in hands-on leadership activities, meet leaders in their state, and explore their own personal leadership skills while learning how to make a positive impact in their community.

**Washington D.C. Close-Up:** This national youth leadership conference is held in Washington, D.C. every year and develops student leaders who learn the operations of government at the local, state and national level. They meet with elected officials on Capitol Hill, participate in a Mock Congress, visit Washington's monuments and memorials, and engage in workshops about how our government works.

**YMCA Youth & Government:** This three day conference in Albany is part of a national government and politics program which promotes civic literacy and community service. Students participate in a simulation of the state's democratic process acting as senators and assembly members. They write, debate, and vote on legislation on the floor of the NYS Assembly using parliamentary rules.

# Students Restore 1999 Chrysler Convertible

Class of 2022 graduates, Miguelangel Acevedo, Dominic Coyote Medina and Skyler Savastano worked on a car restoration project in their Automotive Technology Collision Custom and Restoration (CCR) program at BOCES. This program is led by Mr. Young. Through our partnership with BOCES, students are able to take advantage of a wide variety of career and technical programs like this one to gain hands-on work experience!

Transformation!***

# 2022 Graduate Army Bound

Mount Morris Central School District 2022 graduate, Danny McCart, was born on Mother's Day in 2004 and has 2 older brothers. He loves the outdoors and has been camping since he was 9 days old. Danny enjoys hiking, fishing and hunting. At the age of 10 years old, he climbed a 25-foot rock wall, rang the bell at the top and repelled down! Danny has played many sports and is a scholar-athlete in Soccer and Track & Field.

Through the school district, Danny met Sergeant Coburn, who is a recruiter for the Army National Guard. Danny and his parents met with Sergeant Coburn and Sergeant Wheeler at the local bowling alley. "After talking with them, I realized the possibilities and benefits of joining the Army National Guard. I want to help people and not sit behind a desk in an office," said Danny.

Danny took his oath in October of 2021 and served 1 weekend a month for 10 months. He received his first promotion to private second class and left on July 18th for boot camp in Fort Jackson, South Carolina, where he will spend 9 weeks. Following graduation from boot camp, Danny will spend 6 months at Fort Eustis in Virginia for Advanced Individual Training (AIT) in Army Aviation and has been assigned to the CH-47, which is a chinook helicopter.

Danny wants to encourage others to, "be kind and keep an open mind to new opportunities."

Danny's mom, Jennifer McCart, said, "His dad, brothers and I love him so much and are so proud of him. Thanks for recognizing our son as a future hero, it means so much to him and the rest of his family."

Following his initial enlistment period of 3-6 years, Danny is interested in pursuing either a career as an Army Aviation Pilot or a State Trooper.

Thank you for your service,  
Danny!

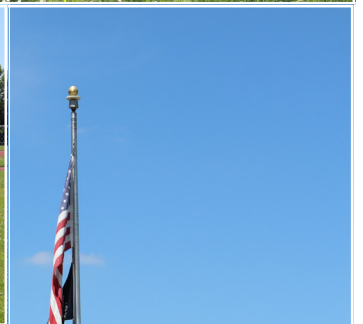

Our Mount Morris School Family hosts a big celebration in honor of Flag Day each year! Flag Day - the anniversary of the Flag Resolution of 1777 - was established on May 30, 1916, when President Woodrow Wilson issued a presidential proclamation declaring the national Flag Birthday to be on June 14th. This important tradition celebrates our liberties, families, friends, our Country and much more. Each year, during our celebration, two flags are raised in honor of Veterans and the flags that are lowered are given to the Veterans that were honored the previous year. For the 2022-2023 school year, the flag flying in front of the school is in honor of Mr. Frank Cappadonia and the flag flying by the athletic fields is in honor of Mr. Frank Lathrop. We were excited to present last year's honorees, Mr. Samuel Maggio and Mr. Porter Huffman with their flags during the ceremony. Ed Haefner, Milton Smith, and Kyle Regal were also recognized for distinguished acts of service to the Mount Morris community. "Flag Day is a very special day for the Mount Morris Elementary School. We are able to recognize local men and women who have not only served Mount Morris but our country as well. Each year, I enjoy getting to know the honorees, their families, and their contributions to the Mount Morris Community! It is a day that makes us all smile!" said principal Dean.
