Equal Employment Opportunity

Code No. 401.1

The Waverly-Shell Rock Community School District will provide equal opportunity to employees and applicants for employment in accordance with applicable equal employment opportunity and affirmative action laws, directives and regulations of federal, state and local governing bodies. Opportunity to all employees and applicants for employment includes hiring, placement, promotion, transfer or demotion, recruitment, advertising or solicitation for employment, treatment during employment, rates of pay or other forms of compensation, and layoff or termination. The school district will take affirmative action in major job categories where women, men, minorities and persons with disabilities are underrepresented. Employees will support and comply with the district's established equal employment opportunity and affirmative action policies. Employees shall be given notice of this policy annually.

The board will appoint an affirmative action coordinator. The affirmative action coordinator will be responsible for drafting the affirmative action plan. The affirmative action plan will be reviewed by the board at least every two years.

Individuals who file an application with the school district will be given consideration for employment if they meet or exceed the qualifications set by the board, administration, and Iowa Department of Education for the position for which they apply. In employing individuals, the board will consider the qualifications, credentials, and records of the applicants and will not discriminate on the basis of race, color, age (except students), religion, national origin, creed, sex, marital status, sexual orientation, gender identity, socioeconomic status, or disability in admission or access to, or treatment in, its programs, policies, and activities. In keeping with the law, the board will consider the veteran status of applicants.

Prior to a final offer of employment for all positions involving contact with students, the school district will perform the background checks required by law. Based upon the results of the background checks, the school district will determine whether an offer will be extended. If the candidate is a teacher who has received an initial license from the BOEE, then the requirement for a background check is waived.

Advertisements and notices for vacancies within the district will contain the following statement: "The Waverly-Shell Rock Community School District is an equal employment opportunity/affirmative action employer." The statement will also appear on application forms.
