

# GRANTS IN ACTION

"I am so thankful and grateful for your support to me and our district as a whole.

What an amazing opportunity teachers in our district have to ask for additional funding to make our classrooms come to life!

My students and I have thoroughly enjoyed the implementation of the STEM Bins that your funding provided for us. I was able to add an additional five morning centers where students are able to engage in a hands-on alternative to morning work when they come into school. Students are able to begin their day by touching, creating, thinking, talking, sharing, and having a great time warming up their brains to have a great day."

# OPPORTUNITIES

The Waverly-Shell Rock Community Schools Foundation serves as a catalyst to expand and enhance educational experiences and opportunities for students, staff & residents of the W-SR Community School District.

## GO-HAWK SCHOLARSHIP FUND

This scholarship program recognizes graduating seniors who have demonstrated good citizenship, community involvement, and academic achievement throughout their school careers. Donors may give to the general scholarship fund, to an existing named scholarship, or establish a new annually-funded or endowed scholarship in their name or name an honoree of their choosing. Please contact our Executive Director if you are interested in establishing your own scholarship.

## SMART MONEY TEACHER GRANTS

This annual fund and granting program provides funding for educational projects that benefit K-12 learning in the district.

## NEST MONEY ENDOWMENT FUND

Generating interest income every year, this is a permanent pool of funds which supports teaching excellence and innovation in the Waverly-Shell Rock Community School District.

## ENDOWMENT

Generating interest income every year, this is a permanent pool of funds which supports all programs of the Foundation.

## UNRESTRICTED

Unrestricted gifts provide the greatest flexibility for the Foundation to meet the needs in our district.
