Florida has announced the availability of their new app and web-based portal that allows students and the community to relay information anonymously concerning unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities, to appropriate public safety agencies and school officials.

What is available?

- Web-based portal (GetFortifyFL.com)
- App (Download on App Store or Google Play)

What does it do?

- Anonymous reporting of suspicious activity
- Relays information to law enforcement agencies and school officials
