

The TASC Card MyBenefits. MyCash. MyWay

Offering ease and convenience for your FlexSystem FSA!

MyBenefits.

The TASC Card provides a convenient method to pay for eligible healthcare, dependent care, and/or transportation expenses as defined by your FlexSystem Plan. MyBenefits is funded by you and your employer through pre-tax payroll deduction based on an annual benefit election.

Card purchases are limited to your Plan type, and also to merchants with an inventory information approval system (IIAS) in place to identify FSA-eligible purchases. Qualifying merchants may include doctors, dentists, vision care facilities, and day care centers. At the point of purchase, the IIAS automatically approves the purchase of eligible items and deducts the amount from your MyBenefits account.

MyCash.

Reimbursements are fast and paperless! If you do not use your TASC Card to pay for an eligible expense, you can submit a request for reimbursement via fax, mail, online, or text message. Unless you have elected direct deposit, your reimbursement will be deposited directly into your MyCash account—no more waiting for checks to arrive by mail.

Your MyCash funds can be used just like cash at any retailer that accepts Visa. Purchases are **not limited** regarding either type of merchant or type of expense. You can even withdraw your MyCash funds at an ATM (with a PIN). Spend your MyCash funds any way and anywhere you want—with the swipe of your card!

MyWay.

- Two accounts on one card make the TASC Card more versatile than ever!
- Avoid embarrassing declines. MyCash funds can be used to pay for eligible expenses if no funds are available in your MyBenefits account.
- You can combine general retail items with healthcare expenses in one transaction. The TASC Card is smart enough to know that eligible expenses are automatically deducted from your MyBenefits account while ineligible expenses are withdrawn from your MyCash account.
- Funds in the MyCash account can be transferred to a personal savings or checking account, or withdrawn via an ATM.

The TASC Card is available for the following FlexSystem Accounts (where applicable):

FlexSystem FSA Healthcare
FlexSystem FSA Dependent Care
FlexSystem Transportation Account
