## 1. PURPOSE

To establish procedures for student enrollment in a higher level course of the same subject.

## 2. PROCEDURE

### A. Course Enrollment - Prerequisites

- (1) Prior to enrollment in a higher level course, a high school student must have successfully completed the previous course level of the same subject when lower level course includes required skills and knowledge required to be successful in the higher level course. Principal approval is required before entering into the higher course.
- (2) Upon approval of the principal, exceptions may be made to compensate for scheduling difficulties beyond the student's control.
