31															Number of Student School Days Per Month									
Teacher Professional Development - No Students Teachers will be required to get 10 Days during the 2023 Summer																								

AMI days are not available with an alternative calendar. If less than 60 instructional hours (10 days @ 6 hours/day) are missed due to inclement weather, sickness, etc., no hours have to be added to the calendar. If 60 hours are exceeded, hours would have to be added, but could be spread out over several existing student days
