Paperwork:

Each athlete will need a current physical before practice starts on 7/31/23. (within 1 calendar year) Also, an insurance waiver, medical release, concussion waiver, athletic fee (\$50) and signed athletic code all needs to be taken care of before the official season starts on 7/31/23. This can be found on the Meridian website. We will be using a new program in middle school called Snapp Management. More information on Snapp Management will come this summer.

Practice Times:

Once practices begin we will normally go from 2:45 till 5:00. For those new to the MMS Baseball schedule please note that we have roughly 2 weeks of practice before the start of the school year. Once school starts all practices will start immediately after school.
