

Meridian School Board Committees, Members, and Descriptions

Last Revised: 04/24/2023

1. **Transportation & Agriculture Committee:** Monte Hogan, Adam Herbert, Clint Gorden

Description: This committee helps make decisions on the type and number of buses to either buy or lease. It also discussed the financing arrangements of the transaction. In addition, this committee evaluates and makes recommendations on anything related to transportation.

This committee also works with the District's Ag Techer/FFA Leader and the Ag Boosters to help develop and enhance the educational agricultural based opportunities offered within the district. Evaluates and makes recommendations around the District Ag Program.

2. **Curriculum:** Brad Hunt, Amanda Manon

Description: Board members serving on this committee are actually a part of a larger committee comprised of administrators, teachers and board members discussing curriculum alignment or instructional changes in a certain subject area. Since the meeting is set and run by administration, the OMA doesn't apply to this group.

3. **Athletic & Activity:** Adam Herbert, Monte Hogan, Chris Jones

Description: This committee reviews participation numbers for sports and set the minimum participation numbers. This committee reviews the athletic code and makes recommendations for revision, works with the AD/s on coaching evaluation forms, coordinates on coaching evaluation recommendations leading up to regular Board meetings, and any other high-level issues pertaining to athletics.

This committee will also evaluate, discuss and makes recommendations for any new or existing activities across the district that can enhance or improve the overall educational culture, environment, or operational efficiency.

4. **Technology:** Chris Jones, Brad Hunt, Robert Flack

Description: This committee evaluates and discusses technology initiatives across the district, reviews the district master technology plan, reviews the technology purchase plans, studies any instructional technology survey data, and makes recommendations to the larger Board in the area of technology.

5. **Policy:** Chris Jones, Robert Flack, Amanda Manon

Description: This committee will review the District Mission/Vision and Goals, review/make recommended changes to the Supt. Evaluation Rubric, review/recommend changes to the student handbooks, and review school board policy changes.

6. **Negotiations:** Monte Hogan, Amanda Manon, Chris Jones, Alternate- Robert Flack

Description: This committee works with the school district's attorney and the superintendent in bargaining process with the teacher's union, the Meridian Federation of Teachers. The work of this committee typically doesn't get started in earnest until late Winter/Early Spring of the same calendar year that the contract expires. In addition, there might be times when this committee or the union representation may meet to discuss a MOU to the bargaining agreement.

7. **Finance & Investment:** Monte Hogan, Robert Flack, Amanda Manon

Description:
