

Calamus-Wheatland Education Foundation - Brick by Brick

The Calamus-Wheatland Education Foundation Committee was organized in 1997 to encourage and manage donations to the Foundation's Endowment Fund.

The Endowment Fund is a permanent fund managed by the Board of Trustees of the Education Foundation Committee with the following objectives in mind:

- **Maintain, develop, increase and extend the facilities and services of the Calamus-Wheatland School District.**

- **Provide broader educational opportunities to students, staff, faculty and residents of the geographical area.**

After reinvesting part of the yearly earnings, the Board of Trustees determines annually how to distribute earnings from the Foundation's Endowment Fund.

The Foundation also intends to fund innovative programs and assist the school in providing Calamus-Wheatland students with the world-class education they need and deserve.

Your gift may be in the form that provides you with maximum tax benefits. Tax deductible gifts may be given in the form of securities, real estate, insurance, personal property or cash. Designated funds can also be established in the Foundation by individuals, families, businesses or organizations.
